The Elizabeth Baptist Church was organized in 1883. Because of a gift of three acres of land from her, and her interest in the new church, the church was named in honor of Elizabeth Love Wilson.

The first building was erected in 1884. Growth and progress led to the completion of a new building in 1910 which replaced the original one room structure. A third structure was completed in 1940. In December of 1954 a fire completely destroyed the building. In 1957 the first phase of the present edifice was completed. Then, in 1969, the present facilities were completed with an additional educational building. Estimated value of the physical plant is a million dollars.

Fred A. Mauney, the present pastor, has served the congregation since August of 1972. He is a native of Mecklenburg County and is a graduate of Wingate College, Furman University, and Southwestern Baptist Theological Seminary. His previous pastorates are: First Baptist, Stanley, N. C.; First Baptist, Valdese, N. C.; Florence, Forest City, N. C.; and First Baptist, New Bern, N. C.

LEGACY FOR MY CHILDREN

Spend time enough in solitude
to stretch your soul and learn to think,
and enough time with the multitude
to shy from the destined muddle.
Spend time with children, your own and others
and learn to see the world anew
through their clean eyes.
Sit with the suffering often
and seek to feel, to heal, to bear their pain.
Go gently with the old who've tasted life,
who now face death, still unafraid.

Waste no time with plastic people
who will not open life to meeting real,
shun all cliches and slogans
and people who make and use them,
steer clear of all conformists,
and run from those whose halo you can see.
Go back and scrutinize all you've been taught,
and never swallow anything
that insults your mind or soul.

Observe the man who has rare mastery,
cobbling shoes, building barns, teaching philosophy,
walk with one whose face reflects an inner peace,
love the sunrise, meadows fair, quail flight,
lean against the swaying pine and catch its rhythm,
listen to the windsong, birdsong, twilightsong,
and to the answering song within your soul,
and sing your prayer.

Love all animals, fowl, and flowers,
and the life that ties us all together,
stand in the surf beneath the stars
and run sand through your fingers,
and wave sound through your soul.

Early learn to love yourself
and keep your heart in awe
before the God who is all love,
don't hurt, be kind, kiss and bind the wounded,
and so shall you come to know the oneness
that haunts and hungers human hearts,
and life itself shall be to you a poem,
and you shall move through all your days
in cadence with its rhythm.

- T. Max Linnens

THE DRIVING BEAT GOES ON

"He that hath ears to hear, let him hear." Matt 11:15

It wasn't just a distant drummer
booming out a distant sound
now and then above the present clamor.

The drummer wouldn't keep his distance,
but kept marching ever closer,
and brought with him the flute and violin,
and a host of other skilled musicians,
and they began to softly play
a haunting symphony
that saturated all my soul,
and made all other songs
seem shoddy and discordant.

To dance to a different tune
with strange partners,
and sometimes all alone
incurs displeasure and some wrath
from those who seek to teach you
the lockstep of the present status quo.

But you don't mind bruised toes,
and shins, stares and sighs of resignation,
or even sitting out a dance or two,
if that haunting melody
fills the hallways of your soul,
and you still yearn to move
in cadence with its rhythm.

- T. Max Linnens

REPORT OF THE AUDITING COMMITTEE

We have examined the accounts of the Kings Mountain Baptist Association maintained by Joseph E. Cabaniss for the year ending September 30, 1976.

The examination consists of tracing all recorded cash receipts to the bank statements and of verfying disbursements on a test basis of examination of invoice and cancelled checks.

In our opinion the statements of receipts and disbursements as shown in the report found elsewhere in this volume presents fairly the financial transactions of the Kings Mountain Baptist Association for the year ending September 30, 1976.

Respectfully submitted,
Rylan Redding, Auditor

TRUSTEES REPORT

The Trustees of Kings Mountain Baptist Association did not transact any business during the past year, and therefore we have nothing to report.

Respectfully submitted,
Fred R. Mauney

CHURCH TRAINING REPORT

The Church Training Department of the Kings Mountain Baptist

Association is glad to report that we have a very active department this year.

While not every church in the association has a Sunday Evening Church Training Program, the majority of our churches has some type of ongoing church Training activities. WE have, however, had some churches in the association to add the Sunday Evening program to their schedule.

A Review of Our Work

(1) Associational Church Training M-Night was help on November 30, 1975 with the Elizabeth Baptist Church. Total attendance for this service was 375 representing 22 Churches. Two awards were presented at the M-Night service. First Baptist Church of Grover, N.C. received the award for having the highest percent of the enrollment. Flint Hill Baptist Church received the award for the greatest number present.

(2) In March of 1976 the Church Training Department held three WIN institutes. This was considered a very successful project indeed. The records states that we had a total of 209 people enrolled in the three schools from 22 churches. We had 9 first time decisions reported from the visiting teams on Thursday evening.

(3) On September 21, 1976 The Church Training Department sponsored an Equipping conference for the association. Twenty Six conferences were offered in each area of our work for leaders in our Church Work. The total number reported in attendance was 384 from 44 different Churches.

Where We Stand

We are in the very early stages of our plans and preparation for the new Associational year. However, we are now considering.

(1) Some type of help program for International Students and children of Missionaries at Gardner Webb College. (Depending upon approval of the Association)

(2) M-Night Service on December 6.

(3) We stand ready to assist any church in the association with your Church Training program. We will assist with the total program or any given department. Please call upon us if we can help.

Respectfully Submitted,
Broadus Heatherly

BROTHERHOOD REPORT

I would like to take this opportunity to thank you for allowing me to serve as Brotherhood Director this year. It has been a blessing to my life.

I would like to thank Mr. Hal Dedmon, R. A. Director, for the fine work he has done with the R. A. He has done a splendid job.

The Brotherhood was privileged to attend the Equipping Conference on September 21. We had a very good attendance from the churches in all areas of the Brotherhood.

I was privileged to visit and speak to a number of our churches this year. I found in each church a spirit of love and enthusiasm.

I feel that we here in the Kings Mountain Baptist Association are very fortunate to have so many men who are willing to stand up for Christ.

Respectfully submitted,
J. C. Bissette

WOMAN'S MISSIONARY UNION REPORT

For 1976 - 77 the W. M. U. has two emphases: Teach Missions, to know, to grow; and Minding the Future. The first is to improve the image and quality of teaching missions and to encourage participation in mission study. The second is to promote Mission Friends, Girls in Action, and Acteens.

A highlight of our year was the Baptist Women World Day of Prayer on November 3 at Westview Baptist Church. Members of the Ebenezer Association met with us an participated in the planning and program. About 250 attended.

In January a Workshop was held with three divisions: Mission Action, Mission Study, and Mission Support. Other than our Council, Rev. Cline Borders, Dr. Fred McGehee, and Dr. Robert Lamb were workshop leaders.

At the annual spring meeting held at First Baptist Church, Shelby, Mrs. C. E. Price, President of the Pennsylvania - South Jersey W. M. U. Convention, spoke.

In March at the State Convention in Greensboro, our organization was recognized as a Distinguished W. M. U., the highest recognition given on the Achievement Guide. This is evidence of good work, but there is much still to be done.

During the summer months, members of the W. M. U. Council went to Ridgecrest and Fruitland for training and inspiration. Regular meeting have been held for planning and evaluation.

Mission Action has been given special attention this year. In December we sent 500 toothbrushes for the North Carolina Correctional Center for Women in Raleigh. Since that time we are in the process of training persons to minister to released prisoners and their families. Also we are assigning names of persons released from Broughton Hospital and Western Carolina Center who are now in nursing homes in the county. These persons will be visited by Baptist Women during the year.

The Baptist Women held a missions banquet in February at which time Mr. and Mrs. Cline Borders spoke. Baptist Young Women met at Macedonia with Miss Nancy Curtis of Raleigh as guest. Girls in Action leaders had a very helpful workshop on Daycamping in May led by Miss Pat Ritchie of Raleigh. She also had a meeting with Mission Friends leaders. Acteens have held quarterly meetings.

We continue to promote special offerings and weeks of prayer, Focus Week, and leadership training. I have attended regularly the General Board, Missions Committee, and Executive Committee. "WMU NEWS" mailed quarterly is an instrument for keeping the church members informed of events and activities.

Respectfully submitted,
Mrs. Hubert C. Dixon,
WMU Director

MUSIC REPORT

Every church within this association has a ministry of music, for music plays a great part in worship. Many of our Christian doctrines are taught the singing of the great hymns of the church.

Relatively few of our churches have full-time ministers of music, but all have a music ministry. A great part of the music leadership within the churches in the Kings Mountain Association is carried on by capable and dedicated part-time or volunteer music directors. It is to these people that this report is dedicated. Their willingness to serve and their love for God and for people are reflected in the musical programs found in all the churches. Music is worship and music is education. We both learn and worship as we sing.

It is our desire to be of service to the people of this association. One church has already scheduled a winter music school. When possible other teaching opportunities will be arranged.

Whatever the musical needs are, let us be of help when possible. Whether it is a search for new materials or methods, or other needs, we will be glad to be of service.

"Serve the Lord with gladness: come before His presence with singing."

Respectfully submitted,
R. Allen Jolley

MEMORIALS REPORT

We pause in our deliberations at this moment to remember and honor our beloved dead. Since we last met in our annual session 220 of our members have departed this life. Fifteen of these were deacons and four ministers.

We remember the words of the Apostle Paul according to the Living Translation of the New Testament, "I have fought long and hard for my Lord, and through it all I have kept true to Him. And now the time has come for me to stop fighting and rest. In heaven a crown is waiting for me which the Lord, the righteous Judge, will give me on that great day of His return. And not

just to me, but to all those whose lives show that they are eagerly looking forward to His coming back again."

Paul also said, "For we know that when this tent we live in now is taken down - when we die and leave our bodies - we will have wonderful new bodies in heaven, homes that will be ours forever more, made for us by God Himself, and not made by human hands. How weary we grow of our present bodies. That is why we look forward eagerly to the day when we shall have heavenly bodies which we shall put on like new clothes."

Yes, the question asked by Job long ago, "If a man die shall he live again?" is met by the words of Jesus "Because I live, ye shall live also."

We believe our loved ones are at rest in the Lord for we are told by John that he heard a great voice from heaven saying, "Write, Blessed are the dead which die in the Lord from henceforth: yea, saith the Spirit, that they may rest from their labors and their works do follow them."

A poet expressed it this way:

"Think of-
Stepping on shore, and finding it heaven;
Of taking hold of a hand and finding it God's hand;
Of breathing new air, and finding it celestial air;
Of feeling invigorated, and finding it immortality;
Of passing through storm and tempest, to an unknown calm;
Of waking and finding it heaven."

GENERAL BOARD REPORT

Four regular quarterly meetings of the General Board were held during the past church year.

Each of these meetings were informative and inspirational. Our church hosts for these meeting were. October - Beaver Dam; January - Temple; April - Boiling Springs; July - Second Church, Shelby.

Reports of committees were received, in addition to routine matters, major items of information and recommendations were approved by the General Board, some of the items were:

(1) Approved plans for an Association-wide Deacon's Retreat.
(2) Instituted a special summer program in our churches. Employed a youth summer worker in our association.
(3) Approved plans and encouraged all churches to participate in an Equipping Conference, sponsored by our Church Training Department. This conference was conducted September 21, 1976.
(4) After careful study and planning, asked the Moderator to appoint a special committee to select a person to be recommended to serve our association as Director of Christian Social Ministries.
(5) Established a special account to be designated "The Missions Advance Fund of the Kings Mountain Baptist Association." The funds are to be used for special purposes within our association.
(6) Our General Board meetings have been held Monday Morning after the third Sunday at 10:00 O'clock the months of October, January, April and July.

A number of our members were of the opinion this time should be changed to an evening meeting allowing a greater number of members an opportunity to attend. During October of 1976, we will begin meeting on Monday evening after third Sunday the months of October, January, April, and July of each year.

(7) Approved a recommended Financial Budget for the Association Year beginning October, 1976 in the amount of $62,930.

Respectfully submitted,
Joseph E. Cabaniss
Clerk-Treasurer

THE MEMBERSHIP COMMITTEE REPORT

The Membership Committee has met with representatives from the Northside Baptist Church and the Immanuel Baptist Church on two occasions during the past year. In addition, we have attempted to evaluate those reports which have been submitted by these two groups now under watchcare of tne Association.

After serious study your committee makes the following recommendations:

First, in keeping with a request presented by a representative from Northside and since there are indications of a need for continued guidance and assistance the committee recommends that they be continued under watchcare of the Association.

Second, though the committee has some reservations about both the need for and wisdom of such a transition the committee recommends that Immanuel be granted full membership in the Kings Mountain Association.

Respectfully submitted,
Fred Mauney, Chairman

YOUTH AND FAMILY SERVICES
REPORT TO THE KINGS MOUNTAIN BAPTIST ASSOCIATION IN ANNUAL SESSION

This past year has been another effective one in terms of service. However, in terms of need and the potential for an expanded ministry, it can only offer limited service until that time when the way can be cleared for a full-time social ministry in the Association.

We suffered a real loss this year in the moving out of our Association of Dr. Fred McGehee. The Pioneer Director of Youth and Family Services, and Dr. Bill McKinney, one of our able Volunteer Counselors. Their contribution to our Association and to our county cannot be measured in mere words.

I would like to highlight four specific areas of service now being rendered by our Asso's Youth & Family Service personel.

I. The Counseling Service

a. The Juvenile Court Counselors continue to recommend that the parents of young people coming through the juvenile court see members of the Youth and Family Services staff for Family Counseling.

b. The Juvenile Counseling Office in the Law Enforcement Center continues to provide limited free office space and secretarial help for our ministry.

c. The Juvenile Court Counselors under the able supervision of Mrs. Gloria Newman continue to offer full support of our counseling minisrty and have set up an adequate referral system for such.

d. In addition to the referrals of the Juvenile Counselors, the Youth and Family Services staff is available for personal, marriage or family counseling referrals from the community.

e. The result has been approximately 250 interviews this year.

f. With the potential of a worship, teaching and counseling ministry in the county jail, county prison camp and nursing homes, and the potential for a counseling ministry through the domestic court as well as the juvenile court, the need for a full-time

social ministry becomes even more acute.

II. The Volunteer Program
a. Under the able coordination of Ms. Frances Mashburn, volunteers from various churches are rendering a valuable service.
b. There is still a need for more volunteers to be a friend to the juveniles, build a one-to-one relationship which might lead into participation in family activities, and assist in tutoring programs and transportation.
c. Unlike our sister counties, Gaston and Linclon, Cleveland County does not have any court foster parents. This would be a voluntary service to provide a temporary home for youthful offenders when it is impossible for them to remain at home, or have placement elsewhere.

III. Cleveland County Girls Home
a. Cleveland County Commissioners have agreed to fund the Cleveland County Girls Home for one more year. Federal funding for the Home may continue but there must be community matching funds provided from some source.
b. Youth and Family Services share in the treatment of the residents in the Girls Home through family counseling and case conferences.
c. There are other specific needs the Girls Home has which need to be filled.

IV. Speaking Engagements, Community Service, etc.
This year members of the Youth and Family Services staff worked with the Human Relations Council, Gardner-Webb College and the Council for Developmental Disabilities on Community Concerns. They also spoke to WMU and brotherhood groups concerning the work and assisted the local hospital in securing a chaplain. They also participated in other community activities.

The possiblities for Christian Service through Community Ministry are unlimited. Proverbs 29:18A says: "Where there is no vision, the people perish". May God grant that persons in need in Cleveland County will not perish because we have no vision.

Respectfully submitted,
Rev. Dean Coffey, Director
Youth and Family Services

EVANGELISM REPORT

This has been an exciting yeat for the evangelism committee. We have continued to secure the speakers for Reveille for Revival a radio program that is heard by hundreds and appreciated by many.

This committee also helped plan and carry out the county wide census and the simultaneous revival, held in the spring of this year with fifty-two of our churches participating.

We also had a desire to have an area wide crusade, and this past Monday night the General Board gave approval to the evangelism committee to extend an invitation to the James Robinson Team to lead in an area wide crusade in July of 1977. To make this crusade a sucess we need and encourage the support of all our churches.

Respectfully submitted,

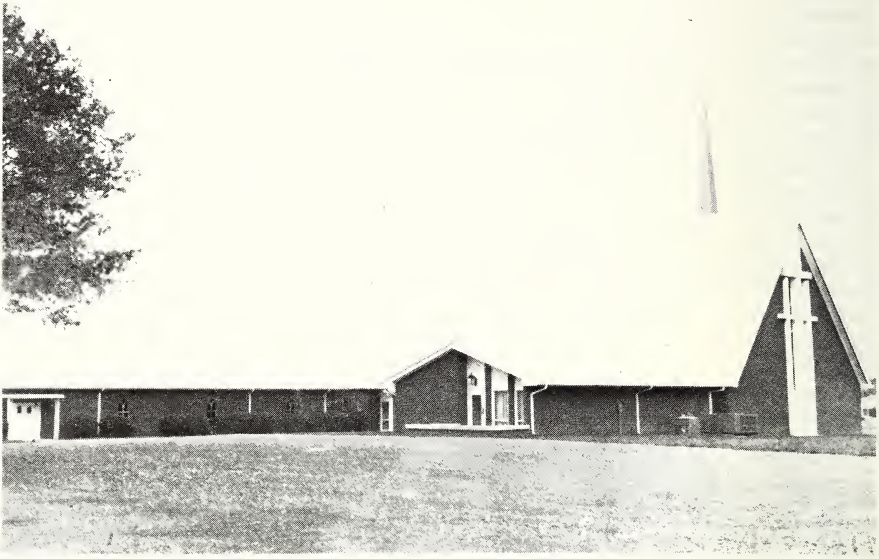
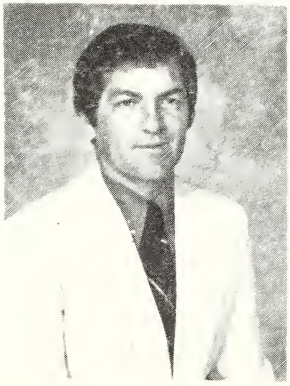
POLKVILLE BAPTIST CHURCH





Polkville Baptist Church was organized July 28, 1940. A Presbytery met at the Poldville High School for the purpose of establishing a Baptist Church in Polkville. As a result of work accomplished by Rev. D. F. Putnam, Rev. H. E. Waldrop, N. L. Whisnant, and Fred Mintz, plans were made to organize what is now Polkville Baptist Church.

Rev. J. W. Suttle, moderator of the Kings Mountain Baptist Association was elected as moderator, and Wyan Washburn of Double Springs was elected as secretary.

The Rev. D.F. Putnam was recognized and spoke briefly on the status of work at Polkville. Residents of the community and the executive committee had asked him to study the feasibility of a church at Polkville. He stated that with the help of Rev. Lawrence Roberts, and N.L. Whisnant a survey made in May had resulted in the establishment of a Sunday School at Polkville totaling 75 members.

The Presbytery approved the petition asking for the privilege of organizing a new church. The convention covenant and 18 articles of faith were accepted unamiously by the church.

The following officers were elected:

Rev. D.F. Putnam.....Pastor
Buren Whisnant..... Sunday School Superintendent
Mrs. Pine Withrow.....Music Director

August 11, 1940 was set as the deadline for charter members. A revival was conducted the following week.

The newly organized church continued to hold worship service at Polkville High School for about 15 months. On October 4, 1940, a tract of land was purchased from Mr. & Mrs. Fred Blanton for the purpose of erecting a church building. Construction started immediately, and the congregation moved in the new building late in 1940. Services were first held in the main auditorium of the church on the third Sunday of August, 1942. Minor construction continued for several years. The W.M.U. ladies desiring to see carpet placed in the sanctuary, planted a ten acre cotton patch and donated the profits to the church for carpet. The building was dedicated in 1950, while W.P. Biggerstaff was pastor.

A brief sketch of important events follows:

Two men have been ordained to the gospel ministry by our church, Rev. Ben Davis and Rev. Glenn Walker.

In 1960 a new educational building was completed by the congregation.

Property has been purchased at different times and now totals approximately 14 acres.

Parsonage was completed in 1963.

Under the leadership of our present pastor, Rev. Alton Martin, plans were approved with Tom Pegram as Architect and McCluney Construction, Inc. as builder, ground was broken May 18, 1975. Construction began in May of 1975 on the New Sanctuary. Total cost of the structure was $180,000.00, and has a seating capacity of 400. It is a modern up-to-date facility. Dedication of the new sanctuary was on February 1, 1976 with Rev. W.P. Biggerstaff being the principle speaker. Also, on the program were Rev. Kenneth Lambert, Carlos Young and the present pastor, Alton Martin.

God has richly blessed Polkville Baptist Church since its conception in 1940 at the Polkville High School.

DEDICATED

The 1977 Minutes are dedicated to the memory of the Reverend L. D. Scruggs, pastor of the Macedonia Baptist Church. L. D. Scruggs was born in Rutherford County April 11, 1928. He later married Helen Lanier Scruggs, and they have four children: Dean, Sheila, David and Lori.

Mr. Scruggs served as a pastor at the Calvary Baptist Church, Gaffney, S. C.; Wyatt's Grove Baptist Church and the Needmore Baptist Church in Salisbury, N. C.; Patterson Road Baptist Church, Dayton, and First Baptist Church, Newton, Cincinnati, Ohio. Mr. Scruggs had begun his eighth year at Macedonia Baptist Church when death came on October 16, 1977.

The ministry of L. D. Scruggs extended far beyond the boundary of his local church. His involvement in the life of the Kings Mountain Baptist Association and community agencies was widespread and effective.

REPORT OF THE AUDITING COMMITTEE

We have examined the accounts of the Kings Mountain Baptist Association maintained by Joseph E. Cabaniss for the year ending September 30, 1977.

The examination consist of tracing all recorded cash receipts to the bank statements and of verifying disbursements on a test basis of examination of invoice and canceled checks.

In our opinion the statements of receipts and disbursements as shown in the report found elsewhere in the volume presents fairly the financial transactions of the Kings Mountain Baptist Association for the year ending September 30, 1977.

Respectfully submitted,
Rylan Redding, Auditor

TRUSTEES REPORT

The Trustees of Kings Mountain Baptist Association did not transact any business during the past year, and therefore we have nothing to report.

SEARCH COMMITTEE REPORT

Just over one year ago, the General Board of the Kings Mountain Baptist Association voted to employ an associate who will serve as Director of Christian Social Ministries. In keeping with that decision, Moderator Carlos Young appointed a Search Committee with W. Clyde Bearden as Chairman. Other members of the committee are Mrs. John Berry Hamrick, Vice-Chairman, Rev. Charley Sandifer, Secretary, Mr. Norman Bud Talley, Mrs. Katy Ruth Dixon, Rev. L. D. Scruggs, Rev. Russell Fitts, And Rev. C. A. Kirby, Jr. Rev. Cline Borders, our Director of Missions, was invited by the committee to meet with us, and he has been of great help.

The first responsibility of the committee was that of writing a job description and a policy statement. This task was completed, however, while writing the job description, the committee began to see the advantages and wisdom of an association with the City and Metropolitan Missions Department of the Baptist State Convention, and the Home Missions Board. After consultation with Dr. Ernest Upchurch, who represents both of these boards, the committee asked the General Board, meeting in regular session at the Polkville Church, January 17, 1977, for permission to negotiate an agreement with these two boards. Permission was granted, and the committee began to work in this direction.

A Job Description and Guidelines for Agreements for Christian Social Ministries were written, in keeping with the requirements of the Home Mission Board, and presented to the General Board in its regular meeting at the Zoar Church, April 18, 1977. After thorough discussion, the General Board unanimously adopted both documents.

Since that time the committee has given careful and prayful consideration to the thirty-seven applications we have received. We have tried to establish an order of priority for our investigation, and at present, we are conducting an intensified investigation of one of the applicants.

The committee will make a recommendation to the General Board just as soon as we have found the person we believe to be God's man for the position. This is what we believe you have asked us to do, and not just fill a position.

Your Search Committee has met regularly, and has worked faithfully and prayerfully, and we sincerely invite your continued interest, help, and prayers. We earnestly seek God's blessings on all our search and investigation, that His guiding hand will be upon the work when it is begun.

Respectfully submitted,
W. Clyde Bearden, Chairman

REPORT OF SUMMER WORKER

It is always exciting for me to sit back and hear of the many activities going on in our association and to know that I'm a small part of such an energetic, dedicated, enthusiastic and outgoing team.

I hope tonight as we recapture the highlights of my summer work that you won't feel it's something Debbie has done, but rather something that you've been a very vital part of. Before I begin, let me assure you I've made many mistakes, but I feel God used these mistakes to help me and give me new direction. For those of you who may not be familiar with my work, I would briefly like to share with you the job description which guided the committee to calling me as your summer worker two summers ago.

1. To call attention to and stimulate the use of puppets in worship and teaching.
2. To offer a day camping experience to the churches in the association.
3. To begin as many Backyard Bible Clubs as possible.
4. To offer a variety of worship services to the Kings Mountain State Park.

In fulfilling this job description it was a joy for me to visit in 42 churches across our association. As I visited these churches I was constantly reminded of the words of a familiar song. "Give of the best to your Master, Give Him first place in your heart. Give Him first place in your service, Consecrate every part. Give and to you shall be given; God His beloved Son gave; Gratefully seeking to serve Him, Give him the best that you have." These words printed on an index card and attached to my dash panel kept me reminded of my purpose in visiting these churches. As I introduced them to these new ministries I was also to encourage them to use their talent and resources that they might gratefully serve Him; and that as they gave of their very best to these ministries as well as to other church activities they would see growth in their church and community as well as in their mission outreach. The words also said, "Give and to you shall be given" and I believe because many of you gave of yourselves---your time, energy and talent--God so graciously gave back to us by allowing us to have:

21 successful Backyard Bible Clubs
18 Day camps
14 Kings Mountain State Park Programs
13 churches involved in a Puppet Ministry.

Tonight I would like for us to look at each of these areas in a little more detail:

a. Of the 21 Backyard Bible Clubs held, 15 different churches were involved in conducting the clubs which varied in length from one night to one week. The

average attendance ranged from 10-13 persons. We had 4 Backyard Bible Clubs conducted by mission organizations of various churches which they held in black or economically deprived neighborhoods where the children seldom attended church and knew very little of Jesus Christ. Including these children approximately 250 children were reached through Backyard Bible Clubs this past summer.

b. Of the 18 Day Camps held, 13 churches were involved in conducting these. The majority of day camps held ran for 3 days with attendance ranging anywhere from 15-100 children.

A highlight of the day camping program was the one held at the Boy's Club. This program met once a week for five meetings reaching 100 boys per meeting. Through the entire Day Camping Program approximately 650 children were exposed to learning about God through nature.

c. The Kings Mountain State Park Program was a big success this summer. We held 14 Saturday evening programs with the attendance ranging from a low of 85 to a high of 250. The park programs became something the campers looked forward to and I received so many complimentary remarks about the programs there. I'd like to share with you 2 letters that I received concerning how the campers felt about the programs.

This first letter I received after my Pre-school Choir sang--my children call me "Miss Debbie;" this particular lady overheard them and she addressed my letter:

Dear Miss Debbie,

I just wanted to let you know what an inspiration the program was to me on Saturday evening. I'm sure God was in our Midst for He touched my heart even through the simplicity of those little children. May you know of my prayers for you and may God bless you in your summer work.

Love and Best Wishes,
Mrs. Ruby Neason
Columbia, S. C. --age 69

This second letter I received after a Youth Choir had presented a musical program:

Dear Debbie,

Please express my appreciation to the group in charge of the program on Saturday evening. It was a very relaxing program but spiritually uplifting for me. I'm glad there are still young people who are willing to share God's love with others. Remember us in your prayers as we travel and we look forward to visiting the campground and attending your program the weekend of August 19. Take care--see you then.

Sincerely,
Mr. and Mrs. Albert Harrison
Elizabethton, Tennessee

I had the privilege of meeting not only this couple and this elderly lady but many others who shared with us in these worship experiences.

One of the most fruitful ministries we had this summer was our puppet ministry. We started the summer off with only 3 churches with an active puppet ministry and we now have 7 in our area with 5 others in the process of introducing this ministry to their people. In order to help these churches enrich their puppet ministries, we formed an associational puppet team. This group, composed of 14 young dedicated people, representing 7 different churches, worked up the production, "Musical Stories for Puppets and People." They presented this production 3 times and had many invitations which we had to turn down. I was extremely pleased with the work that they did. I think all who have had any dealings with puppets have found them to be a unique way of preaching and teaching; and have proven them to be a great asset for many churches.

I feel the summer has been a rich and rewarding one. Words cannot express or describe to you what being your summer youth worker has meant to me. I thank God for the privilege as well the opportunity that was mine in serving you. May you know there's a special place in my heart for each of you and that I'm praying for you and your church.

In closing I'd like to leave with you a short story that was shared with me while visiting one of our churches. This story again reminded me I was to give God my very best, not only in my job but in every area of my life.

"One morning a Hindu mother went out to the banks of the Ganges, leading by either hand her two children. A missionary saw her going to the banks of the river, and he knew why she was going there. He looked into her eyes with all the pleading of fatherhood and tried to persuade her not to do it--not to give up one of these little children. Then he looked at the faces of the two children. One of them was as perfect a baby as any mother ever held close to her heart; the other was lame and blind. But he knew he could not persuade that woman to break from the thought of centuries in a single hour's pleading. He came back to the spot and saw the mother still standing by the river bank, her heart breaking! One child was missing. As the missionary drew near he discovered that the perfect child was gone; the mother had kept the little blind and lame one for herself. As he looked into the eyes of that mother, he said to her 'Woman, if you had to give one up, why didn't you give this little lame and blind one and keep the perfect one for yourself?' She said, 'O Sir, I do not know what kind of God you have in America, but I know that here in India our god expects us to give him our very best.'"

Tonight my prayer and my challenge to each of you is to give Him your very best!

Debbie Whisnant

WOMAN'S MISSIONARY UNION REPORT

Our WMU had a good year with our emphasis: "Teaching Missions and Minding the Future." These included teaching missions and promoting the junior organizations of our association.

In the fall the Baptist World Day of Prayer was held at Bethel Baptist Church, Boiling Springs; Second Baptist Church, Shelby; Buffalo Baptist Church and Lawndale Baptist Church.

A WMU Leadership Conference was held at Beaver Dam Baptist Church in the fall of 1976.

Throughout the year special activities were planned by the Acteens, G.A.'s and Mission Friends with a great number of groups as well as leaders participating. The Baptist Young Women had some very special meetings and formed an Associational Council for BYW.

At the Annual Spring Meeting held at Macedonia Baptist Church, Mrs. Frank Gilbreath, President of North Carolina WMU, was guest speaker. "Son Company" of Kings Mountain presented the special music.

In February a Baptist Women's Mission Fair was held at Bethlehem Baptist Church called a "Tasting and Seeing of Missions." Both Home and Foreign Missions were included, and each group of churches participated. Mr. Bob Causby, a Shelbian who served as a Missionary Journeyman in Liberia, was present and displayed artifacts from that country. Two students from Gardner-Webb, one from Africa and the other from Jordan were present in native dress. Mrs. Jean Thompson, a missionary to Argentina was also present and shared in the Fair. Speaker for the Fair was Rev. Cline Borders, Director of Missions.

The WMU Council went to Ridgecrest for training and inspiration and in preparation for the Leadership Worship September 16.

A new office this year is Mission Support Chairman.

A Prayer Retreat Seminar was held in May at New Prospect Baptist Church, led by the Associate Director of the association, Mrs. Shirley Hord.

We hope that promotion of special offerings, weeks of prayer, Focus Week and our Leadership Training Conference will continue. Our WMU News mailout is the way we have of keeping in touch with the churches and their pastors.

MUSIC REPORT

"Serve the Lord with gladness, come before His Presence with singing." As we join in singing praise to God we are obeying Scriptural instructions. In no other way can everyone have such an opportunity to be a part of a worship service.

During the past year several opportunities for training were offered: May 9 and Adult Choir leaders Reading session met at Elizabeth Church; on May 16 Youth Choir leaders gathered at First Baptist Church in Shelby to participate in a clinic led by Eddie Rackley, Minister of Music at Shelby First Baptist; on August 16 at Elizabeth Baptist Church Children's Music leaders met for a clinic led by Frank Stroup, Minister of Music Elizabeth.

More churches are seeing the importance of beginning young with musical instruction, and are organizing groups beginning in the pre-school ages.

Study guides and helps are available to aid those in positions of leadership in the churches. Help can be secured from both the association and Baptist State Convention. For special needs please contact the Associational Office and help will be supplied when possible.

Remember that it is our privilege to raise our voices in song as we praise God for His goodness to us.

Respectfully submitted,
R. Allen Jolley

MEMBERSHIP COMMITTEE REPORT

Your Committee on Membership, after working with and giving guidance to the Northside Church for two years, recommends that we grant the request of this congregation to move from watchcare status to full membership.

A further recommendation, after hearing the request of the Christian Freedom Baptist Church, is that this fellowship be received under watchcare of the association and that they be encouraged to continue to avail themselves of such guidance, counsel, and other services, as the membership committee may be able to render.

Respectfully submitted,
Fred A. Mauney, Chairman

MEMORIALS

As we pause from our busy schedule to honor those called home from work in our churches, I would like to read a verse of scripture. Rev. 14:13, "And I heard a voice from heaven saying unto me, write, Blessed are the dead which die in the Lord from henceforth; yea saith the Spirit, that they may rest from their labors, and their works do follow them."

I read somewhere recently that a minister touring the great St. Paul Cathederal in England was told, "If you would see the continuing life of Sir Christopher Wrenn, just look around you." We know it took almost all his life to build that great structure. So I would say today, if we would see the continuing life of these 2 Preachers, 14 Deacons, and 199 beloved members who rest now from their labors, just look around you. Their loyality, labors and prayers are in evidence in all the churches. All of us would be infinately poorer, but for them. As the inspired writer to the Hebrews said of Abel, "They being dead, yet speak." They speak to our hearts today of the love and joy of fellowship in our churches, association and conventions. I am almost certain by reading Heb. 12:1 that from the bleachers of the City of God they would be cheering us on in our efforts to obey the Spirit as they rest and we carry on the work so dear to their hearts and to the heart of our Precious Lord.

B. Paul Horne

GENERAL BOARD REPORT

Four regular quarterly meetings of the General Board were held during the past church year. Our meetings were held on Monday evenings after the third Sunday, the months of October, January, April, and July. Our evening meetings were a departure from previous years when meetings were held on Monday mornings at 10:00 .

Each of our meetings was well attended. Our programs were inspirational and informative. Our church host for the meetings were: October - David; January - Polkville; April - Zoar; July - Pleasant Ridge.

Various reports of committees were received, in addition to routine matters. Major items of information and recommendations were approved by the General Board. Some of the Items were:

(1) Approved plans presented by our Evangelism Committee for an Evangelistic Crusade, with leadership of the James Robison Crusade, Inc. Special Evangelistic meetings to be held July 24-31, 1977, at the Shelby High School Stadium.

(2) Approved plans and participated with our church Training Committee in a special meeting and banquet. International students and children of overseas missionaries who are students at Gardner-Webb were our special guests.

(3) Our Search Committee appointed for a Director of Christian Social Ministries, presented "Guidelines for Agreement" and a "Position Description" in cooperation with the North Carolina Baptist Convention and the Home Mission Board. These documents were approved.

(4) Approved a recommendation from the Executive Committee, the Moderator appoint a Study Committee to explore the possible need for an Association office site and an Association office building.

(5) Approved a recommended Financial Budget for the Association Year beginning October, 1977, in the amount of $63,970.00.

Respectfully submitted,
Joseph E. Cabaniss, Clerk-Treasurer

YOUTH FOR CHRIST REPORT

During this past year, the King's Mountain Baptist Associational Youth for Christ has been engaged in several worthy activities.

The James Robison Crusade gave our Youth opportunity to be a part of this great evangelistic thrust. Three Youth rallies were promoted by our youth for this campaign. The first was a Friday night meeting at the First Baptist Church, Shelby, before the Crusade started. The speaker as Albert Long, Durham, N.C.; about three hundred were in attendance. During the Crusade two rallies were held: One was directed by James Robison, with over six hundered in attendance; the other was a rally to promote the Crusade by distributing pamphlets over the city; these gave the time and place of the services. Over twelve hundred pieces of Crusade materials were distributed by the Youth.

Another Youth Rally was conducted at First Baptist Church, Shelby, August 26; this was a religious Musical Concert presented by BobbyJames, a singer in the James Robison Crusade Organization.

A program was promoted to encourage Youth to attend the North Carolina Youth Evangelism Convention, Greensboro. Three local church buses were enlisted to transport our Youth from the Association to this Convention; several churches provided transportation for their group. Our Association was well represented in this meeting.

Our record shows that several hundred youth in our Association made profession of faith in Christ and made rededication of life. Some discovered Christ's will for their life's work. A great degree of spiritual commitment has been manifest in the Youth of our Association.

Much credit is given to Mr. John Henderson; Mr. Ed Rackley; Miss Sharon Dedmon; Miss Debbie Whisnant, and Rev. Cline Borders, Director of Missions, for the success of our work.

The idea of setting up a five year program that will keep our youth involved and engaged in spiritual matters has been projected for our Association.

Respectfully submitted,
David E. Lucas, Chairman

EVANGELISM REPORT

This has been a busy and exciting year for the Evangelism Committee of the Kings Mountain Baptist Association. Plans were made in the fall of 1976 for a country-wide crusade in the summer of 1977. The James Robison Evangelistic Association agreed to participate in a county-wide effort July 24-31 of 1977 at the Blanton Memorial Stadium, Shelby High School, Shelby.

A Kick-Off Banquet for the crusade was held at Gardner-Webb College in February with 500 people from the Association in attendance. These people pledged their support for the crusade and gave $8,000.00 to meet the $17,000.00 budget. Many other meetings and training sessions were held prior to the crusade.

About 35,000 people attended the crusade during the week giving a total of $41,000.00 love offering and budget expense. There were 600 first-time professions of faith and 1,200 other type decisions, making the weeks a great success. A follow-up seminar conducted by Dudley Hall had 900 in attendance and was rated a Number 1 spiritual experience.

The churches and people of this Association made this effort possible, and we thank God for their support and love. The crusade is another first for Kings Mountain Baptist.

There is one sad note in our report this year. Reveille for Revival, a radio program sponsored by the Association, was discontinued in May of 1977.

Respectfully submitted,
Alton Martin, Chairman
Evangelism Committee

PLEASANT RIDGE BAPTIST CHURCH

Historical Sketch - 1915-1978

Prior to the organization of the church in 1915, a Sunday School was held in the Old Pleasant Ridge school building. Mr. P. C. Blanton, then a member of the Beaver Dam Baptist Church, was in charge of the Sunday School.

With a membership of twenty-six males and twenty-nine females, the Pleasant Ridge Church was accepted as a member of the Kings Mountain Baptist Association in September, 1915. The messengers to that association were J. B. McSwain and J. J. Sperling.

The first building was erected in the fall of 1915, on a tract of land formerly owned by the L. A. McSwain family. It was a memorable occasion when the first members moved into this building, which was valued at $2,000.

The Rev. B. M. Bridges was called to serve as the first pastor of this new church. The first deacons included: J. B. McSwain, L. E. Putnam, P. C. Blanton, G. B. McSwain, G. L. Hamrick, and G. W. McSwain.

In 1921, the Rev. I. D. Harrill became the second pastor. Mr. Harrill served until 1928, and the following year the Rev. W. G. Camp succeeded him, preaching on Saturday and Sunday afternoons. Mr. Camp served until 1939.

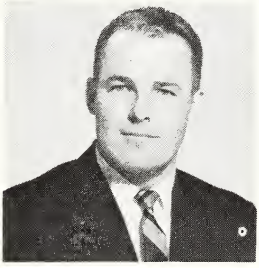
In 1940, the Rev. Jesse Blalock became the fourth pastor, and served until 1945. In 1946, Rev. W. G. Camp became pastor for the second time, and served until 1954.

The first building seemed adequate for the community until 1951. In the fall of that year, a Thanksgiving service was held in the new building, which was valued at about $140,000.

In June 1954, the Rev. Albert Hastings became pastor. In 1956, the church constructed a beautiful parsonage near the church plant. Mr. Hastings served until 1957. In October, 1957, the Rev. James Stamey became the church's sixth pastor.

In December 1957, the second building was totally lost by fire. For twenty-three months, services were held at the Lattimore school building. In November 1959, the present plant was ready for regular services. Mr. Stamey served until February,1967.

In July, 1967, the church called the Rev. J. Max Evington to become the seventh pastor of the church.



E. Paul West, the present pastor, has served Pleasant Ridge since January, 1975.

The present building, the pastorium, and almost nine acres of land, bring the total value of church property to $350,000. The total church membership is 548 and total gifts to the church for all causes in 1977 were $57,000.

CHRISTIAN SOCIAL MINISTRIES REPORT

On April 1st of this year I began serving as the Director of Christian Social Ministries of our association. This has been a busy and challenging work for me, and I am pleased to share the following report with you who have made it possible.

Since April 1st, it has been my privilege to speak to forty— four church groups. I appreciate the invitations received and the time that you allowed me to share with you. I would welcome the opportunity to come and share our work with you. As of October 1st, eighteen churches have responded to my request for a Christian Social Ministries Representative. I look forward to your letting me know of your representative.

In the area of Youth and Family Services, it has been my joy to have the privilege to work with fifteen families. Some of these have been through the Juvenile Court, some through the Department of Social Services, and some from the community at large. This summer we took fifteen youth involved in the Juvenile Court processes for a three— day retreat at Camp Loy White. This is being followed by a monthly social for these youth, and we are in the planning stales of some winter camping experiences for them. There is a tremendous challenge in sharing Christ with these youth and their families.

During this year we received Health Care Kits for the migrants. There were two churches who were involved in this project. These were delivered to the migrants at the Joe Pendleton farm near Polkville. Also, we received toys from one church. These toys were new and used and were taken to a day care facility for migrant children. Five Spanish interpreters were enlisted and most of these were used in working with a migrant who was ill and in the local hospital. This man spoke no English. We were able to help the doctors, nurses, technicians, and

personnel of the Migrant and Seasonal Farmworkers Association minister to him. Also, it gave us a great opportunity to let him know of our love and concern for him, and to share the love of God with him.

The prison ministry began in the latter part of September with a training session for students from Gardner-Webb College. There were twelve students who came for the training. We have begun the work in the prison, and on the first night there were eight students and twenty-five inmates at the service. In addition to this I go to the prison once a week and spend two hours in counseling on a one-to—one basis.

In the Emergency and Relief area of our work we assisted twelpe families. This involved 61 people. Assistance was in the areas of fuel, clothing, medicine, rent, and referraf. Three churches assisted by providing clothing items.

Our Literacy Ministry was begun with the enlisting of volunteers to work with the family from Laos. One volunteer is working with the two children at Shelby Junior High School, and we are in need of a volunteer to work with the three children at Graham School. We are looking forward to the literacy workshop to be held at the Westview Baptist Church on November 10th and 11th. On the 10th we will meet from 6:30 - 9:30 and on the 11th we will meet from 9:00 - 4:00. This will give us the required ten hours to be certified a Literacy Teachers. Mrs. Olna Daves from Gastonia will lead the workshop. The cost will be $15.00 for materials.

My joy within my work has come about by the fine spirit of cooperation that you have shown to me; by the comment of the woman whose house we helped to save, who said, "Thank you so much. I didn't know there were to many nice people in the world"; the prison inmate who said, "You know, just the idea of someone telling you that they are going to do something for you and then do it with the speed that you did it in, is really something for which to be thankful"; the child at the migrant day care center who said, upon receipt of a health care kit, "Now I have my very own wash cloth"; the young man at Jupenile Retreat who said, "Thank you for letting me come here. This has really meant so much to me, and I appreciate being able to come. This is the first time that anyone has invited me to go anywhere"; and the Spanish speaking migrant farmworker who said to Viola Talley and then she to me, "I know that you love me because you speak my language and have come to talk to the doctors so that they might help me to get better, and I know that the senor loves me because he does not speak my language, yet he has come and stood by my bed in silence for two hours."

These situations and others like them bring a new depth of meaning to those words "For I was hungry and you gave me something to eat; I was thirsty and you gave me something to drink; I was a stranger and you invited me in, naked and you clothed me, sick and in prison and

you visited me." Thank you for the continued joy of serving with you in the work of Christian Social Ministries.

GENERAL BOARD REPORT

1977 - 1978

Four regular quarterly meetings of the General Board were held during the past church year. Our meetings were held on Monday evenings after the third Sunday, the months of October, January, April and July. Each of our meetings was well attended. Our programs were informative and inspirational. Our church host for the meetings were: October - Eastside, Shelby; January - Ross Grove; April - Kings Mountain; July - Poplar Springs. One special called meeting of the General Board was held March 16, 1978. The First Baptist Church of Kings Mountain was host for this Meeting.

Various reports of committees were received, in addition to routine matters. Major items of information and recommendations were approved by the General Board. Some of the items were:

(1) Unanimously approved the purchase of 1.6 acres of land on the north side of Wyke Road, adjoining Eastside Baptist Church in Shelby, to be an available site for a future office building for our Association.

(2) Approved the appointment of a Special Committee to study needs and present plans for an office building.

(3) Unanimously approved recommendation of Special Search Committee to call Reverend Robert C. Davis to serve as Christian Social Ministries Director.

(4) Approved a recommended Financial Budget for the Associational Year beginning October, 1978, in the amount of $97,621.46.

Respectfully submitted
Joseph E. Cabaniss, Clerk-Treasurer

SUNDAY SCHOOL REPORT

During the 1977-78 associational year, the Sunday School organization of the Kings Mountain Baptist Association has emphasized Bold Missions Outreach.

This Outreach emphasis began with the High Attendance Day on October 30, 1977.

In March, 1978, we had our VBS clinic under the fine leadership of Frank Stroupe of Elizabeth Church.

Then on April 24, we launched the Bold Mission Bible Conferences with simultaneous rallies at Second Baptist, Shelby under the leadership of John Treshn Jr., now professor of evangelism at Southeastern Seminary; at Macedonia Baptist in Kings Mountain, led by Cecil Seagle, pastor of Mullberry Baptist, Charlotte, and at Fallston Baptist, led by Dan Deaton, also of Charlotte. These rallies started the study of the book God's Mission and Man's, which teaches the biblical basis of Bold Missions. Following these rallies, participating pastors finished the study in the local churches.

The highlight of associational Sunday School activities was the Equipping Conference held September 10-11, 1978 at Elizabeth Baptist Church. The emphasis was again on outreach as the Book for study was Witness to Win, the suggested book for study during Sunday School Preparation Week. Enrollment was 204 from 37 churches.

Your associational Sunday School will continue its emphasis on outreach. This need is illustrated by the fact that while our area's total population has increased by 900, Sunday School enrollment has inclined by almost the same (866). Average attendance has continued the encline started in 1976. Our average attendance this past year was 9,393.....1,000 less each Sunday in Sunday School through 1976.

The next big event is High Attendance Sunday, October 29.

The Sunday School Council is being trained to be resource people to help churches in our association to continue to develop their Sunday School work.

Next fall will see another training conference, Monday and Tuesday of the second week in September.

Our prayer is for our Sunday Schools to greatly develop their role in the evangelistic outreach of our churches.

CHURCH TRAINING

The Church Training Department is proud to be a part of the Kings Mountain Baptist Association during these phases of Bold Missions. We have been strengthened by others in the Association and believe that we have made some contributions in the other departments as a part of the team.

We are pleased to announce that this has been a good year for the Church Training Department. Some of the things we have accomplished are:

First: We joined the Sunday School Department in sponsoring an associational-wide Equipping Conference on November 7 and 8, 1977. This was considered a very successful conference.

Second: We had two Banquets for International Students and M. K.s at Gardner Webb College during the associational year. Each banquet

was well attended by both students and by members from several churches. Some pastors have given testimony that these banquets have been a means of building relationships between churches in the area and these students.
Finally: M-Night was held at Elizabeth Baptist Church on November 28. We had 187 in attendance from 20 churches. Two banners were given during the service. The church receiving the banner for the highest percent of Church Training enrollment present was New Buffalo with Mt. Sinai receiving the banner for the total highest number present.

We have very few of our plans for the new year completed at this time. We will, however, be available to assist any church at any time. We will also alert you of our projects through The Beacon and announcements at General Board Meetings.

Respectfully submitted,
Broadus Heatherly

WOMAN'S MISSIONARY UNION REPORT

WMU emphasis for 1977-78, Teach Missions: to be, to do, was the second part of a three-year emphasis tn Teach Missions. The three objectives for the year were to improve the image and quality of training missions, to encourage participation in mission study, and to help women, girls; and preschoolers to grow and develop spiritually. Interwoven into WMU plans for mission study, mission action, direct evangelism, and mission support has been the convention wide Bold Mission emphasis.

The first associational WMU activity for the year was a Leadership Conference held at Elizabeth Baptist Church on September 22, 1977. Training was provided for WMU officers and leaders in the local churches.

In March a Mission Action workshop was held at First Baptist Church, Shelby. The workshop was led by Reverend Cline Borders and persons representing the Mental Health Association, the Juvenile Court, Social Services, and nursing homes. These leaders discussed how WMU members could be involved in meeting special needs in our community.

The annual spring meeting was held April 18 at Eastside Baptist Church, Shelby. Reverend Bob Davis, newly appointed Christian Social Ministries Director for the association, was introduced to the group. He presented some plans and objectives for his new ministry. Mrs. John McGee, who had recently retired after thirty-three years on the mission field in Nigeria, was the missionary speaker.

In August, WMU participated in the Associational Key Leadership Conference. Dr. Marian Hume, WMU director in Union Association, led the conference for WMU leaders.

During the year, age-level organizations have participated in various activities. The GA's held a talent show; Mission Friends sponsored a workshop for Mission Friends leaders; Baptist Young Women held several meetings and published their own newsletter.

For training and inspiration, members of the WMU Council have attended conferences and workshops at Ridgecrest. The Council has met regularly to plan and evaluate. "WMU News" was mailed quarterly to officers and leaders in the churches to provide information about events and activities. Members of the Council have been available to give assistance to the various churches.

As a church missions organization, we continue to promote special offering and weeks of prayer.

We look forward to the year 1978-79, which will be very significant for WMU as we make Bold Mission our challenge and opportunity.

Respectfully submitted,
Mrs. George Hamrick
WMU Director

MUSIC REPORT

Every church has a music ministry. As the hymns of our faith are sung, lessons are learned that stay with us. Every church, also, has room for improvement in the ministry of music.

During the spring, a Key Leadership conference was held at Ridgecrest, and those in positions of leadership in this association attended. After this conference, a similar one was held here in the association on August 29, and many of those in music leadership positions attended. Problems were discussed, and plans were made to assure the music ministry's position in the Bold Mission Thrust. One of the things planned was experienced last night, as a Associational choir under the able direction of Frank Stroup, presented the Bold Mission Musical.

Many of the music leaders in our association are volunteers, and some of these have asked that classes be made available for improvement in music skills. We are asking any who would be interested in such courses to contact Frank Stroup, or the Baptist Center, so that some idea of the number who want such courses could be found.

Music will continue to lead and to bless and inspire. May God lead us upward as we worship Him in song.

Respectfully submitted,
R. Allen Jolley

CHURCH LIBRARY REPORT

My task for the past year has been two-fold: to put into shape the library in the associational library and to work with the 72 churches of the association in maintaining existing libraries or starting new ones where none existed.

Mrs. Lucille Kelly and I have given hundreds of hours this year to classify and catalog the 6384 books in the associational office. Not all are classisied yet, but all are equipped with pockets and charging cards and can be checked out.

Of the 72 churches, exactly half reported libraries this past year. I have visited several of them. A meeting was held February 23 at Poplar Springs Baptist Church, attended by ten. The Key Leadership Meeting August 29 held at First Baptist Church, Shelby, taught by Bonnie Price, had 12 librarians attending.

Our long range goal is a media center in every church in the association. We have an invitation to help Flint Hill restore their library as soon as they enter their new building about January, 1979.

We will be having 2 or 3 meetings this year. No church is too small to host us. So if you haven't had a type of associational meeting, invite us.

We urge churches to send one or more people interested to Ridgecrest for Library Week in early July, 1979.

Respectfully submitted,
(Mrs.) Bonnie R. Price

REPORT OF THE AUDITING COMMITTEE

We have examined the accounts of the Kings Mountain Baptist Association maintained by Joseph E. Cabaniss for the year ending September 30, 1978.

The examination consists of tracing all recorded cash receipts to the bank statements and of verifying disbursements on a test basis of examination of invoice and canceled checks.

In our opinion, the statements of receipts and disbursements as shown in the report found elsewhere in the volume presents fairly the financial transactions of the Kings Mountain Baptist Association for the year ending September 30, 1978.

Respectfully submitted,
Rylan Redding, Auditor

REPORT OF MEMBERSHIP COMMITTEE

The Membership Committee has been contacted by and made its services available to three groups within the bounds of our association.

We would first of all commend the Christian Freedom Church, the Pathway Mission, and the Rose-Dell Mission of the Immanuel Church for their Christian spirit and cooperation.

It is recommended that the Christian Freedom Baptist Church, at their request, continue its watchcare relationship and that they be encouraged to use the services to the Membership Committee to assist them in their development and growth.

It is further recommended that the Pathway Mission, located between Kings Mountain and Grover on the old Grover Highway, be accepted into the association under watchcare.

An additional recommendation is that we encourage the Rose-Dell Mission of the Immanuel Church to use the services of the Membership Committee for any support or counsel they may need.

Respectfully submitted,
Fred A. Mauney, Chairman

MEMORIALS REPORT

Since the meeting of this Association one year ago, 248 have gone to rest. In that number were 3 ministers, 17 deacons and 232 lay people.

They will be missed from our ranks but their labors will continue in the lives to others they helped find the way to Christ as their Saviour.

In these times of heavy hearts, may we remember these words John recorded in Revelation 14:13. "And I heard a voice from heaven saying unto me, Write, blessed are the dead which die in the Lord from henceforth: Yea, saith the Spirit; that they may rest from their labours; and their works do follow them."

May we that remain continue the work of the Lord in such a way that we will leave a lood inheritance of laborers to follow us when our rest comes.

Respectfully submitted,
Fred F. Wells

EVANGELISM REPORT

The Kings Mountain Baptist Association has adopted the Bold Mission Program of the Southern Baptist Convention. The Bold Mission thrust is designed to increase all areas of Baptist work. The plan in Evangelism is for Kings Mountain Baptist to double baptisms by 6982 or to baptize 6,352 additional converts.

To reach this goal, a Youth Evangelism Strategy Training Session was conducted at the Westview Baptist Church in September of this year. A Bold Evangelism Through the Local Church seminar is planned for October 31, 1978 at the Elizabeth Baptist Church. William Lamb, state Director of Evangelism will lead the seminar for all Kings Mountain Association pastors.

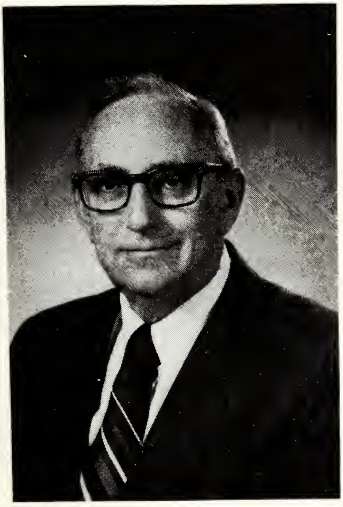
EASTSIDE BAPTIST CHURCH



Eastside Baptist Church was organized in December, 1921, with thirty-one charter members. The first pastor, C.O. Johnson, led in building the first auditorium and was pastor for one year. Others who have served as pastors are: Reverend W.G. Camp, Reverend H.E. Waldrop, Reverend R.P. Hamby, Reverend W.P. Biggerstaff, Reverend E.B. Hicks, and the present pastor, Reverend Wilson W. Padgett, who has served for twenty-one years.

The church was moved eight years ago from Buffalo Street to its present site at 1165 Wyke Road. The $600,000 church plant and facilities is located on a nine-acre site opposite the Jefferson Elementary School. The Kings Mountain Baptist Association Office site is adjacent to it.

The average length of pastorates for the church's seven pastors is eight and one-half years. The present resident membership is about six hundred.

DEDICATED

The 1979 Minutes of the Kings Mountain Baptist Association are dedicated to the memory of Reverend Tom W. Bray, who for more than forty years was a faithful preacher of God's Word.

Mr. Bray entered the ministry in 1936, having previously been a barber and insurance representative. He was a veteran of World War I. He served churches in Guilford, Davidson and Rowan counties. From 1950 until retirement in March of 1959, he served as Director of Missions of the Kings Mountain Baptist Association.

Reverend Bray was a man of true compassion and a faithful follower of our Lord, Jesus Christ. He is survived by two sons, Thomas and William, and by his wife, Mrs. Edith Moore Bray.

Discussion followed. There were some questions about changing the Nominating Committee Report being given to the Executive Board in April. Mr. Kirby explained that this would give the Organization leaders an opportunity to secure training at Ridgecrest during the summer. There was a feeling registered that this movement would be taking authority away from the association. The statement was made that the Executive Board is made up of the pastors and two persons from each church and would not be taking any authority away from the association. The question was called and the motion carried.

DIRECTOR OF MISSIONS - ANNUAL REPORT

The Kings Mountain Baptist Association is alive, well and growing. This is true in terms of what it has done, what is planned to be accomplished, and the challenge that lies before us.

I came to this association hoping to earn the right to be a support person to the leadership of the churches, especially pastors. A look at the daily log which I keep indicates that this is a priority item not only in word but in deed. Three hundred thirty-nine of the activities and events engaged in were directly or indirectly designed to support pastoral leadership. Thirty-seven events came under another category.

Another priority item in the Kings Mountain Baptist Association is an awareness of mission needs here in our own Jersualem. The prayer breakfast held for the personnel of the midway of the Cleveland County Fair proved to be a realistic mission need to which there was a legitimate response.

Mission education and involvement is another goal. Our CSM Director, Bob Davis, is well able to provide opportunity for any church wishing to become involved. Our prayer breakfasts prior to the Lottie Moon and Annie Armstrong emphases are designed to achieve mission education for men and boys. These have been well attended. The programs have been excellent.

Pulpit selection committee training is a service that the association is best prepared to provide. The association is able to share principles and procedures that enable a committee to operate more effectively but leaving the decision-making totally in the hands of the committee.

The association for the first time in its history has all of the annual letters in before the annual session.

From the first time we began the plans for our future building we had in the building fund savings account $23,500. Since that time we have received approximately $30,000. We now have over $50,000. We have just begun!

Gifts to the association increased twenty-seven percent over last year for a total of $71,755.26.

Our suggested goal for associational giving has been three percent, and a number of churches have moved in that direction. There are always those who give more than you ask. The Piedmont Church in Kings Mountain has been giving four percent for a number of years. Bethany Church in Grover recently moved from three percent to four percent. The Macedonia Church went to five percent - three percent to the general fund and two percent to the proposed building. Westview Church here in Shelby is faced with a possible building program, nevertheless increased their giving to four percent. Union Baptist is in the midst of a building program and was already giving three percent and chose to increase their giving to associational missions. These are leader churches, and it is evident that the Kings Mountain Baptist Association is alive and well and growing.

The exciting events that await us also prove that we are alive and well and growing. Conferences designed for the development of family life, marriage enrichment, mission/vacation tour to Nashville, associational GA Camp, four-day pastoral leadership seminar, one-day communications seminar, and a group of pastors coming from South Africa to lead fourteen of our churches in revival indicates something of the variety of activities in which we are engaged. It is also our prayer that we will be able to launch long range planning for the Kings Mountain Baptist Association for the next five years.

Have we done it all?No. There is a need that we have not touched. The need is to sponsor Indo-Chinese refugee families. United States has accepted a quota of one hundred sixty-eight thousand, and it is just a matter of where these people go. We are dependent upon volunteers to meet these needs. Many of you have foreign missions at heart but may never have a chance to go. Here is an opportunity to bring foreign missions to us and by doing this you may win them to Jesus Christ.

I came here six years ago believing that I was led by the Lord. Every year has affirmed that understanding. My greatest challenge is to convince you that associational missions is legitimate. My greatest conviction is that associational missions is a necessity. If we permit this link in the chain of God's Kingdom to be weak and ineffective, there will be fallout in the local churches and missions here and around the world.

I am dependent upon you. I need you to help me see that we accomplish our mission. I need you, the Lord needs you. The mission needs of this day challenge the very best that is in us. History will record our response to the challenge God has given us.

CHRISTIAN SOCIAL MINISTRIES - ANNUAL REPORT

I delight in sharing with you the good things that you have made possible in our Christian Social Ministries programs during the past twelve months. Response to needs shared with you has been tremendous. You have brought vital meaning to our ministries in reaching and touching the hurt of the people of Cleveland County.

On many occasions in our Lord's life here on earth, it is said that when he looked upon the multitudes, he was filled with compassion. This look of compassion is a goal to be sought in the life of the Christian, and it appears to me that many of you are actively striving to meet the goal. Unless we can look at the world through eyes of compassion we will not be able to be effective in our witnessing to those less fortunate than we.

Our programming expanded as we have progressed through the year. I appreciate the leadership of our Director of Missions who has given support, encouragement and now, larger facilities, that we might be able to offer greater opportunities for you to minister, and I am grateful to you for your interest, enthusiasm and willingness to accept projects that I have shared with you. You have responded and served well. As we look about us, let us pray that God will continue to call us to look into the fields for they are white unto harvest.

Our churches that have a Christian Social Ministries Representative now number twenty-five. It has been a joy to work with these and I appreciate the faithfulness with which they have served. If your CSM Representative has changed, please let me know. Let me encourage those of you who do not have a representative to enlist one as soon as possible. If you do, you can provide a meaningful opportunity for at least one of your people to become involved in local missions, and this person in turn will open the door to the many areas of ministry on the associational level.

In our Youth and Family Services Ministries, we have several on-going programs. In February, we began our Minister's Day in Juvenile Court program. The goal of this endeavor is to provide spiritual guidance to the court personnel and to the youth and family of juveniles. We have six ministers who are participating in this ministry. Our camping program has ministered to 66 youth with camps in November, March and July. Sixteen of our churches assisted in this camp program with food and supplies. Seven church groups provided socials for the youth of Juvenile Court. This involved 103 youth and their Juvenile Court Counselors in activities of fun and fellowship with Christian youth from local churches. Ten church groups or individuals sponsored the ten youth from Cleveland County who have been in training schools throughout the state. Sponsorship involves letters and small gift contact - a way of letting them know that someone cares. In October, macrame classes began for youth of Juvenile Court. Attendance has averaged 15 or 20. This class will continue for eight weeks.

In our Prison Ministry, we experienced a very good year with our Gardner-Webb students. Our first meeting in September of 1978 was attended by about 15 inmates. By the end of the year there were approximately fifty in attendance. At our first meeting this year, there were forty inmates. Two of our ladies' groups baked home-made goodies last year and one Acteen group has provided them this year. Five other groups have signed up so far to provide items for later dates in the year. The fact that someone cared enough to do this seems to mean a great deal to the inmates. One of the most meaningful projects that we did last year was the gift packets at Christmas. In order to share the expressions of appreciation from some of the inmates, I share the following excerpts from some letters that I received: "There's not many people that takes Christmas as it's really meant to be. The gift and the hand-made Christmas card really moved me." "I have seen nothing no stranger than a stranger, lonely as the feeling of being lonely we often find ourselves being alone with only sounds and objects of no real meaning - I could see meaning on the gift packets." "I want you to know that I appreciated the things that you gave to the camp for Christmas. All was and is needed, and you know? The touching part about the whole things was that all the things in the bags were hand-picked seemingly for each individual like your mother would pick it or something. It really brightened my Christmas." Twenty churches assisted with this project and response was so great that we were able to provide each inmate with two gift packets. We will do this again this year. Letters are to go out next week concerning this year's project.

In our Migrant Ministry, we received Health Care Kits from 25 church groups. These were distributed to four cmaps. Those that are left will be placed in food orders and for use next year. One church made School Kits to be distributed to migrant school children. And one church had a Backyard Bible Club in one of the migrant camps. In order to expand this ministry, we have formed the Migrant Ministries Council to study the local needs of the migrant worker and to develop programs to meet those needs.

Because of your concern for the literacy needs of Cleveland County, we have trained 41 adults to work with the adult non-reader and the school age child in one-on-one tutoring programs. Many of these are currently involved with a pupil and finding great satisfaction in this kind of ministry. "How shall they read of God's love if we don't teach them?" Westview, David and Union Baptist Churches have hosted our three workshops and I appreciate their service to this ministry. The Cleveland County Literacy Council was formed this year to study the literacy needs of our county and develop programs to meet those needs.

Our Emergency and Relief Ministry has expanded in the recent weeks since we have been in our new interim facility. This year we assisted eleven families with food, eight families with clothing, three families with furniture, eleven families with utilities, ten families with rent, seven families with medical needs, and three families with transportation. This makes a total of 53 families with total involvement of 192 people. "...For I was hungry and you gave food; thirsty and you gave water; naked and you gave clothing - **Hurting** and you cared." Donations are now being accepted for the food closet, clothes closet and furniture closet. Let me know if you can help.

I look forward with great anticipation to the 1979-80 associational year. Associaitonal Missions is a very vital instrument in fulfilling the Great Commission. Go ye and **Do**.

EXECUTIVE BOARD REPORT
1978 - 1979

Four regular quarterly meetings of the Executive Board were held during the past church year. Our meetings were held on Monday evenings after the third Sunday, the months of October, January, April and July. Each of our meetings was well attended by members from our churches. Our church host for the meetings were: October - Pleasant Hill; January - Mull's Memorial; April - Macedonia; July - Flint Hill.

Various reports of committees were received, in addition to routine matters, major items of information and recommendations were approved by the Executive Board. Some of the items were:

1. Unaimously approved suggested plans for our proposed office building. The plans had been previously approved by our General Building Committee.
2. Approved plans to pair with the Western Baptist Association in Cumberland, Maryland, for Bold Missions.
3. Suggested and approved plans of gifts to the Association Building Fund, with our churches using as a goal $5.00 per church member per year.
4. The General Building Committee and the Executive Committee were authorized to submit plans for our building to contractors for bids, at such time our funds are available in an amount of $75,000.00 or $150,000.00 in pledges. The General Building Committee and the Executive Committee were authorized to accept bids for an amount not in excess of $250,000.00.
5. Approved a recommended Financial Budget for the Associational Year beginning October, 1979. The amount of our new Budget is $118,359.60.

SUNDAY SCHOOL REPORT FOR 1978 - 1979

In Southern Baptist church life, the Sunday School is the organization responsible for both Bible teaching and outreach (evangelism).

The importance of the Sunday School as the outreach organization is shown by the fact that over 90% of the people joining Southern Baptist churches were already members of the Sunday School when they joined the church. We baptize 242 people from within the Sunday School for every one we reach outside the Sunday School organization.

Statistics that can be used to evaluate the Sunday School are enrollment, average attendance, and yearly total of baptisms for the church. Enrollment shows the **strength** of the Sunday School; average attendance shows the **health** of the Sunday School; and while other factors also influence the number of baptisms, this figure reflects the **effectiveness** of the Sunday School as the outreach organization. At the end of the 1978-79 organizational year, the total ongoing enrollment of Sunday Schools in the Kings Mountain Baptist Association was 17,300. Average attendance for the year was 9,158. Baptisms for the year totaled 481. For perspective, lets compare these figures with 1976, the high point for Sunday School work in our association: Since 1976, enrollment has declined 9%, average attendance has declined 12%, and baptisms have declined 39%.

This trend is not true of all our churches. Twenty-two of our seventy-two churches have had an increase in enrollment since 1976. Those that have had an increase of 25% or more over these three years are: Community, David, Flint Hill, Midview, New Buffalo, and Victory.

Last year the churches in our associaiton were challenged to have a 4% increase in enrollment. Churches that have met or passed this goal of a 4% increase since last year are: Bethany, Calvary, Casar, Churchill Drive, David,

Dover, Emanuel (Marys Grove), Fallston, Flint Hill, Immanuel (Shelby), New Prospect, Northside, Patterson Grove, Peach Street, Plains View, Polkville, Sandy Plains, and Westview.

Eleven of our churches have had an increase in average attendance since 1976. These are: Buffalo, Community, David, Eastside (Shelby), Fallston, Flint Hill, Grover First, Midview, Plains View, Polkville, and Zoar.

Churches that have had an increase in attendance since last year are: Buffalo, Calvary, Carpenter's Grove, Casar, David, Double Shoals, Double Springs, Eastside (Shelby), Elliot Memorial, Fallston, Flint Hill, Grover First, Immanuel (Shelby), Macedonia, New Bethel, Northside, Patterson Grove, Patterson Springs, Plains View, Poplar Springs, Sandy Plains, Shelby First, Shelby Second, Union, and Westview.

New Churches and Sunday Schools organized since 1976 particularly help the associational growth picture as experience indicates that these new units grow rapidly.

The major associational Sunday School activity during this past year was the Teachers and Officers Training Clinic at Elizabeth Church. One hundred fifty-five people came to study with top resource people from around our state.

High Attendance Day is another major effort of our associational Sunday School.

Our association is working with the state Sunday School department to develop our Associational Sunday School Improvement Support Team (Assist). These are trained workers who can help an individual church with its internal teachers and officers training and improvement program. Persons nominated for this team in the coming year are:

Dr. Alice Cullinan - Director of Teaching Improvement and Training
Rev. Randall Runion - Vacation Bible School Director
John Hunter - Outreach Director
Billy Cooper - Adult Director
Rev. Ernest Smith - Homebound Director
Larry Green - Youth Director
Pat St. Charles - Youth Director
Wanda Webb - Childrens Director
Brenda Morrison - Childrens Director
Linda Ellis - Pre-School Director
Royce Ballew - Sunday School Director

Again, the associational Sunday School challenges the churches to a 4% increase in enrollment this year. This is working for our Lord. There is no easy route -- the key words are "**working** for our **Lord**". Working in lesson preparation. Working in teaching the Bible. Working in visiting the lost and straying. Working for our Lord.

Respectfully submitted,
Royce Ballew, Sunday School Director, KMBA

ASSOCIATIONAL CHURCH TRAINING REPORT

Church Training is an integral part of the Bold Mission Thrust of the Association. It is called upon to train the present and future teachers and leaders of our churches. The Church Training Program is not in competition with other programs that are carried on in a church but enhance them.

The Church Training program deals with four areas of study. They are Christian Doctrine, Christian Ethics, Christian History and Church Policy and Organization. However, many other training areas are taught, depending on the individual church. Often, the four basic areas of study are neglected. If any of the areas are neglected the church suffers. It suffers by not having trained teachers and leaders.

There are fifty churches in our association that reported an on going Church Training programs last year. It is the aim of the Associational Church Training Council to assist all churches of the Association in training their people to be well informed trained teachers and leaders.

During our Associational Key Leadership Conference in August, there were fifteen churches represented. At this time we reviewed the new Equipping Center Materials and other materials that are now available to us for use. This material is available and can be checked out at the Baptist Center. I am thankful for the renewed interest in the Church Training Program.

During my participation in the state-wide Key Leadership Conference at Ridgecrest in May, I was asked to set three goals for the Association Church Training Program. I proposed the following goals:

1. Start five (5) Church Training units. Each unit being a new program in a church that does not have an on-going program.
2. Have quarterly meeting's of the Associational Church Training Council. This Council is made up of the Associational Director and age-group leaders.
3. Have Bible Drill and Speakers' Tournament. Tournaments for children and youth who would compete on local, regional, and state-wide levels.

I ask each church to set goals for your Church Training program this year. Aim high and the Lord will bless you for it. With your help this will be the best Church Training year ever.

Broadus Heatherly, Director

WOMAN'S MISSIONARY UNION REPORT

The WMU empasis for 1978-79, **Teach Missions: to Live, to Give**, completed the three-year emphasis on Teach Missions. As the missions organization of the church, WMU has participated in studies and activities related to the denominational emphasis: Bold Mission Thrust.

The first associational WMU activity for the year was the Leadership Conference held at Poplar Springs Baptist Church on September 25-26, 1978. The Conference held sessions for two nights for the first time, and offered a study of WMU age-level manuals for officers and leaders.

Baptist Women's Day of Prayer was observed on November 6th at First Baptist Church, Shelby. A number of churches of our association participated in this observance.

A highlight of the year was a visit from Carolyn Weatherford, Executive Director, WMU, Southern Baptist Convention. She spoke at Elizabeth Baptist Church on Decmber 9, climaxing the Week of Prayer for Foreign Missions. Her message inspired and challenged those attending the service.

In January a workshop was help with conferences conducted in the areas of mission study, mission action, and mission support. An activities workshop for Mission Friends leaders was also conducted.

During the year the age-level organizations have engaged in various activities. The GAs held an overnight "Mission Lock-In" in November. In Febrary they had a talent show, and in August, a day camp. The Acteens held an overnight retreat at Camp Loy White with sixty Acteens attending. In March the Baptist Women hosted a Sunday afternoon for international students at Gardner-Webb College.

The Annual Spring Meeting was held at Boiling Springs Baptist Church on April 15th. One feature of the program was testimonies given by WMU members concerning their involvement in Mission Action. Mrs. Gene Phillips, missionary to Rhodeais, was the speaker.

During the year the WMU Council has met regularly to plan. Council members attended conferences and workshops at Ridgecrest. Several Council members have assisted churches in organizing new WMU work. "WMU News" has been sent quarterly to pastors and WMU leaders to provide information about plans and events.

The year 1979-80 calls for courage and dedication as WMU members are challenged by the emphasis "Life-Changing Commitments".

Mrs. George Hamrick

REPORT OF BAPTIST MEN

We have had a very successful year. We have visited eight churches, ate plenty of country ham and eggs, and enjoyed every minute of it.

In the past year we have had two Associational Breakfasts. Our first was held at the First Baptist Church, Kings Mountain, with Zeb Moss as our speaker. The attendance was very good with approximately 130 attending. This was for Foreign Mission emphasis, and was on November 26, 1978. Our second breakfast was held at First Baptist Church, Shelby, on February 11, 1979. The emphasis was Home Missions and Owen Cooper was guest speaker. Again attendance was very good with about 200 attending.

During the year we have helped with preparation of getting the interim associational office ready to move into.

The most rewarding project undertaken was the Prayer Breakfast for the workers who travel with the shows that came to Cleveland County Fair. I checked with those people and they feel this was a worthwhile meeting to them because they are not exposed to religion throughout the year. The management of the rides and shows also were very pleased, and I think those people who helped with this received a great blessing from it. Everybody is looking forward to doing this same thing again next year. Invitations will be extended to some of you to help with this next year. We ask that everyone please be much in prayer for it.

We are planning ahead for all of these activities again this year, and covet your prayers.

Willard Boyles, Director

MUSIC REPORT

The churches in Kings Mountain Association usually begin their services with a hymn of other type of music thus representing a Music Ministry. It has been our desire for many years to upgrade the music in our churches. Thus in the last year your association has conducted several training opportunities.

The first of these was a course for music directors held at Elizabeth Church and taught by Dr. Phil Perrin under the auspices of Cleveland Tech. This course was well attended and perhaps another of its kind will be planned.

In the spring the leadership of our association went to the Key Leadership Conference at Ridgecrest. This was attended by Miss Delores White from Macedonia. She returned to lead the music directors in this association in the Fall Leadership Conference at First Baptist Church.

The type of music in our churches varies with each church, but it is our desire to make the music the very best possible, always striving to improve. Jesus gave His all for us - can we do less than give our best.

Frank Stroup

REPORT OF THE AUDITING COMMITTEE

We have examined the accounts of the Kings Mountain Baptist Association, maintained by Joseph E. Cabaniss for the year ending September 30, 1979.

The examination consists of tracing all recorded cash receipts to the bank statements and of verifying disbursements on a test basis of examination of invoice and canceled checks.

In our opinion, the statements of receipts and disbursements as shown in the report found elsewhere in the volume presents fairly the financial transactions of the Kings Mountain Baptist Association for the year ending September 30, 1979.

Rylan Redding, Auditor

MEMORIALS
KINGS MOUNTAIN BAPTIST ASSOCIATION
September 24, 1979

Franklin Segler, in his little book, **A Pailful of Stars**, says, "An essay, thought to be among the last expressions that came from the pen of H.E. Dana, was entitled, 'Lights and Shadows on the Canvas of Life'". One of his daughters was an amateur artist. Looking at one of her unfinished pictures, he remarked to her that it was not as good as she usually painted. She answered, "That picture is not yet completed. I haven't put the shadows in it yet. No picture is complete without both lights and shadows."

Dana saw in this a marvelous parable of life. It takes both lights and shadows to make life's pictures complete. We may think of life as a vast canvas on which an unseen hand is painting. Dana said that some would call that hand fate; he insisted on calling it Providence. "It is the very hand of God. For the portrait He is painting there to be best, the various colors must be properly blended. The picture must carry upon it both lights and shadows. Upon the canvas of every life there are both lights and shadows, and the shadows are just as necessary as the brighter hues." He enumerated some of the shadows that come into the lives of all of us: suffering, sorrow, death, disappointment, and failure. We cannot avoid them. They come irresistibly, sometimes creeping stealthily upon the canvas; sometimes splashing the dark color onto the picture by one sudden unwarned stroke.

All of us are poitnantly aware as we meet today that shadows have fallen upon the canvas of life since we last met, sometimes "creeping stealthily, sometimes with one sudden unwarned stroke." We mourn the passing of many whom we have loved and lost for a while. One of our pastors have died, 12 of our deacons have died, and 216 of our faithful members have died. We pause for a moment of silent prayer and commemoration of their homegoing.

But Dama also reminded us of the brighter hues that help to make the canvas the beauty that it is. He added, "The lights are always there," and he names them, love, service, ambition, and hope. Whatever the position or station of life these four lights will always be casting their gentle glow.

So, we may go from this place saddened that these loved ones are no longer with us in the body, but knowing that they are one with us in spirit. And we go, not mourning as those who have no hope, but in the blessed assurance that we shall be reunited in God's own good time.

And thus the canvas of life will be completed with just the right blending of shadows and lights so that those viewing it shall see not only the lovely work of art, but shall sense the unseen hand of the Master Painter.

Bryant Kirkland has expressed our thoughts so well:

"We have dreamed dreams beyond our comprehending,
Visions too beautiful to be untrue;
We have seen mysteries that yield no clue,
And sought our goals on ways that have no ending.
We, creatures of the earth,
We have seen loveliness that shall not pass;
We have beheld immortal destinies.

Aye, we whose flesh shall perish as the grass
Have flung the passion of the heart that dies
Into the hope of everlasting life."

Prayer:

"Father of love and light, our lives have been blessed by these whom we've loved and lost for a while. Let their mantles fall upon us that we may go from this place to be a blessing to this world so much in need of love and caring.

In the name of Him who died to show us your love."

Amen.

C.O. Greene

ORDINATION COMMITTEE REPORT

The Ordination Committee would like to thank the Association for the guidelines which it adopted last year. These rules have made our task much easier this year, and our Committee has been enriched by the deacons and pastors who have sat with us as an Examining Council.

CHURCH LIBRARY REPORT

We have 39 churches reporting libraries. That is three more than last year. Mrs. Kelly and I gave five evenings of work to help one church (Flint Hill) get its library in order.

I learned a lot while attending Bold Mission Conference at Ridgecrest in May. Also while attending three days of the Media Center Conference at Ridgecrest the first week in July, for which the Association paid $20 and I paid $40.

We had eight librarians from seven churches attending the Key Leadership Conference August 27th, which I taught.

Mrs. Kelly continues to help me catalog the 15 volumes in the associational office library. Any book can now be checked out by anyone in the Association.

Although the Library Workshop held October 12 and 13 of 1979 was not in the church year we're reporting on, the planning, arranging and work for it was done in the 1978-79 church year. This workshop was led by Janet Freeman, Librarian of Wingate College. (She was obtained by Hilda Mayo and part of the expense was borne by the state.) Fifteen librarians from ten churches attended the 7 1/2 hour meeting.

DEDICATION

By action of the Annual Meeting, the 1980 Minutes of the Kings Mountain Baptist Association are dedicated to the memory of Mae Harris Petty, who for twelve years served as office manager and secretary of the Kings Mountain Baptist Association.

Mae Petty was married to Thomas Petty and they have two sons, Glenn Thomas and Hugh William.

IN MEMORIAM

Mae Petty was a sterling Christian. We joy in the realization that she has gone into the presence of Him who she knew so well, and loved so wholeheartedly. Every remembrance of her fills our hearts with gratitude, floods all our souls with praise to God for her, and inspires each of us to courageous action for goodness and righteousness. Only the records of eternity will reveal the many treasures that came from her life; a life dedicated to the high purposes of service to Christ through His church, and through the Kings Mountain Baptist Association.

In the life of Mae Petty, there was a beautiful combination of all we hold to be true and loyal and eternal. There was that blending of patience and aggressiveness; a transparent sincerity along with the deepest of convictions, plus rare spiritual insight. Even in her practical activities, there was contentment in her heart, a glowing love for her family and for Jesus Christ, along with an ever-increasing interest in and for persons.

Mae Petty was indeed a royal soul, yet, with the common touch; kindness with firmness; humility with self-reliance, and an inquiring mind that was always open and receptive. This is the way we knew her. She has served her day and generation by the will of God and has bequeathed to those that follow a legacy of faithfulness, love and devotion. We can only hope that the influence of this beautiful and useful life may fall tenderly upon all who come after her, and all who seek to follow her Lord, that they and we may be drawn a little nearer to the things for which she stood so loyally over the years.

Pastor, Sandy Plains

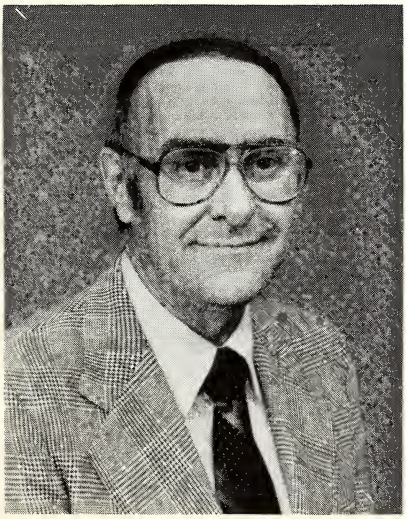
BRIEF HISTORY OF
Patterson Grove Baptist Church
Kings Mountain, North Carolina

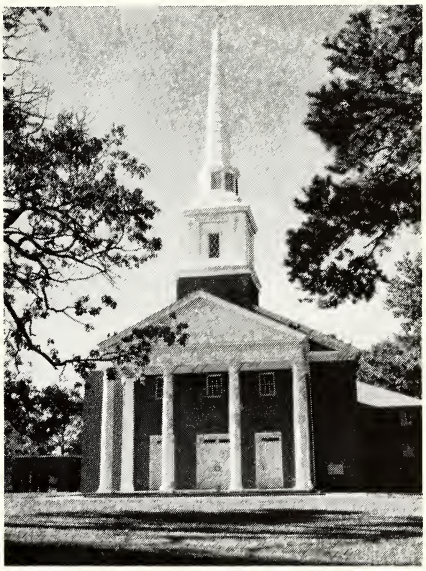
On November 15, 1884, a Presbytery was formed with the Rev. G.M. Webb as chairman. There were 72 letters presented. "On motion," reads the minutes, "the church was constituted on the principles of the Holy Bible with name Patterson Grove."

The next day, Sunday, November 16, 1884, a Sunday School meeting was conducted and at 11 o'clock Rev. Webb preached the sermon of dedication from 2 Chron. 2:18, "And he (Solomon)...set the people a work."

On January 3, 1885, Rev. P.R. Elam became the first pastor and preached that day his first sermon from Psalm 116:12: "What shall I render unto the Lord for all his benefits toward me?"

During 1885 Rufus and Sarah Patterson and G.J. and Eli B. Patterson deeded to the church over four acres of land. Then, on September 24, 1885, the church was received as a member of the Kings Mountain Baptist Association.





By 1900 there were 188 members. Total receipts for the year was $83.00 and the value of the church property was $600. Today, total membership is 321 with total receipts during this past year of over $91,000.00 of which $35,174.17 went for world missions causes.

In 1922, the original building was remodeled. On November 1, 1954, the church voted to go fulltime (preaching every Sunday). On August 28, 1955, ground was broken to erect a new educational building and on March 27, 1966, ground was broken for a new sanctuary. The replacement value of all church property today is over $850,000.00.

Patterson Grove has had 22 pastors since 1885. The present pastor, Rev. Richard Plyler, has served since March 24, 1963.

Patterson Grove also supports Rev. and Mrs. Ronald B. Wilson, missionaries to the Dominican Republic.

DIRECTOR OF MISSIONS - ANNUAL REPORT

I am very pleased to be Director of Missions of the Kings Mountain Baptist Association as we continue to turn significant corners, strengthening the old and adding new and significant ministries.

Bob Davis continues to develop the Christian Social Ministries in a realistic and healthy way. We miss Mae Petty, who is recovering from surgery, but hope she will be back soon.

The ministry of the Kings Mountain Baptist Association far exceeds what I am involved in as Director of Missions. Yet my activity does reflect a part of that ministry. During the past year, it has been my privilege to preach 44 sermons in the churches of our association, to visit the worship services of 67 others and to visit in the home or office of 51 of our ministries. This past year I have conducted 23 workshops, seminars and/or marriage enrichment retreats.

It has been the highlight of my year to have been involved in 555 personal conferences and to be involved in telephone conferences with 691 persons. This past year I shared in one revival. I trained five Pulpit Selection Committees and provided on-going support as they carried out their responsibility.

I have participated in 32 associational committee meetings and 18 North Carolina State Convention committee meetings. The needs of pastors and their families who were hospitalized are reflected in the 155 visits that I made, as your Director of Missions. I shared in 33 Personal and Professional Growth Groups for pastors. I was privileged to attend 15 Pastors' Conferences during the year and to share in five community-type meetings. I was able to participate in 16 associational activities in this current associational year.

During the year, I have written six articles for publication. I have also written 903 personal letters as an expression of the ministry of the association.

Let me share with you some of the other highlights of the Year:

The pastors who came from South Africa brought a real spiritual blessing as they led revival services in various churches in the association.

I have questioned the report of our Baptist State Convention concerning the length of service of pastors to the churches. I have felt that the reported average for the state for two years - two years, six months did not reflect pastor-church relations in our Kings Mountain Association. We have conducted a study of pastoral tenure within our association. Our study covers a time span of 40 years - 1940-1979. When there was a change in pastors, nine months was alloted for the interim. The church having the shortest pastor's tenure average one year, six months. The church having the longest tenure averaged 17 years, nine months. Our associational average was five years, two months. I want to congratulate the pastors and churches for this achievement. I want to urge that we all join together in seeking longer tenure that is characterized by a healthy relationship, spiritual development and an aggressive, realistic outreach.

Last summer was exceedingly busy as I responded to an invitation from the Home Mission Board to lead conferences in both assemblies at Ridgecrest and Glorietta for Directors of Missions. I developed and wrote a Teaching Guide for the Seminary Extension Department's newest course entitled "The Minister's Wife." The North Carolina Baptist Convention asked me to develop a Listening-Viewing Guide for the churchmanship seminars which were held earlier in the year. These lectures will be available on videotape for our churches, beginning in 1981. The Viewing Guides will be made available to those using these tapes as a support in helping them to make this a more meaningful experience.

The Mission-Vacation Tour to Nashville, Tennessee was a new step for the Association, and one that we feel was highly successful in creating more fellowship among the membership of our churches. We had a total of 87 persons who went, from 22 churches.

Mrs. Borders and I continue to enjoy participating and leading Marriage Enrichment Retreats for the churches within our Association and churches in other associations as well. The Foreign Mission Prayer Breakfast was a real spiritual blessing to the men and boys who came to First Baptist last year to hear John Mills.

We added a new dimension to our ministry when in 1979 we began a prayer breakfast for the personnel of the midway of our Cleveland County Fair. The Lord has honored our efforts at this breakfast with a real awareness of His presence both years.

It was an historic moment as we gathered at our associational site for the ground breaking service for the new associational building. Kings Mountain Baptist Association has turned many corners and here was another that indicates the growing, expanding ministry of the 72 churches that constitute this association. I was at the head of the line pulling the rope and Richard Plyler was at the plow, breaking the ground. There were so many people present I could not feel the pressure of the plow in the ground as we moved together. To me, this was a parable of how having many hands to help with a task makes it easy. I continue to be grateful, so very grateful, for the many volunteers and able pastors who give leadership to the program of Kings Mountain Association. Mrs. Judy Allen and Miss Mary Sue Thompson operate our tape duplicating machine each week, and Mr. and Mrs. Sam Poston help in getting our mailouts together. These are vital ministries, and we thank you.

As we look to the future, I am anticipating the report of our Long Range Planning Committee, which is chaired by Reverend Paul Sorrells. This committee, when it has completed its work and reported to the asssociation, will no doubt set the pattern for associational activity for the next five to ten years.

We will all be watching the new associational building as it grows up out of ground. I assure you that the associational staff is looking forward with great anticipation to having a more adequate and enlarged facility in which to express the ministry of the Kings Mountain Association. This facility will greatly magnify and multiply the ministry of the association and make it possible for us to meet more human need.

Please hear me when I say to you, I am very pleased to be the Director of Misisons for the Kings Mountain Baptist Association as we continue to turn corners that magnify our Lord.

CHRISTIAN SOCIAL MINISTRIES - ANNUAL REPORT

We have had a busy year in our Christian Social Ministry work. This is made possible through your growing interest in involvement in associational missions. We continue to see a vision of personal involvement in the hurt of the people of Cleveland County. I commend you for your interest in sharing Christ's love for these special ministries that are a part of your Christian growth, and encourage you to continue to have a growing vision of sharing the love of Christ in more personal ways.

In our Juvenile Court Ministry, we began a Minister's Day in Court program. Six ministers have been involved in this. They attend court on a rotating basis and are available to work with families of the youth and court personnel. We arranged for two trips for youthful offenders and their counselors to visit the Western Carolina Correctional Center at Morganton and observe the "Final Step" program. A three-day camping experience was provided in April with nineteen persons attending. Three church groups assisted. Summer camp was held August 4-8 at South Mountain Christian Youth Camp, with fifteen people attending. A Christmas Social was sponsored by the Acteens of Boiling Springs Baptist Church. Twenty-six people from the court attended. In April, five churches provided refreshments for a picnic at Kings Mountain State Park.

Thirty attended this event. In August, the Acteens of Lawndale Baptist Church sponsored a social, with nine people in attendance. In November, macrame classes were held for Juvenile Court youth. Average attendance for these classes was nineteen.

The work at our local prison camp has increased over the year. The Yokefellow Ministery has met every other Tuesday with an average attendance of forty-three. Twenty-eight church groups assisted by providing home baked goodies for refreshments. During the year, thirty-three volunteers have served in this ministry and decisions for Christ have been made. Present attendance is in the high fifties. One hundred ninty scriptures have been distributed. A Bible study class was begun in June, meeting every Wednesday afternoon. Rev. Wade Dellinger began teaching the class in July. Average attendance has been eighteen. Our largest project this year was gift packets for the men in the local prison camp. Forty one church groups/individuals responded to this ministry. Young people from six churches helped with the packaging of the materials and delivered them to the prison. Because of your interest in touching their hurt, we were able to share the meaning of the Christmas season with the 160 inmates who were there at the time.

In addition to these ministries, I have spent approximately two hours a week at the prison camp, sharing the love of Christ with the men in visitation and personal counseling. I have found that many of the men are receptive to religious counseling and programs. Their numbers are growing and so are they. Remember to pray for the prisoners and those who work with them as community volunteers.

Our Migrant Ministry was not as large this year. The number of migrant farm workers decreased because of the hail storm in the spring and the dry weather in the summer. Three churches provided Health Care Kits and one church provided School Kits. Two meetings of the Migrant Ministries Council were held. During the season, three camps were visited. Fifty three Scripture portions and Health Care Kits were delivered. Union and Sandy Plains Baptist churches were involved with two of the camps and much love was shared. A brochure listing services offered to the migrant farm worker was prepared and distributed through the Department of Services Food Stamp Office.

Our Literacy ministry workshops brought our number of trained literacy workers to 51. Our fall workshop at Union Baptist Church had an attendance of ten, with seven being certified. The spring workshop at First Baptist of Shelby was attended by twelve with ten certified to teach. The County Literacy Council met twice this year.

Our fastest growing ministry is the Emergency and Relief Ministry. In the 1978-79 year, we provided assistance with rent, utilities, food, medicine, referrals, clothing, etc., for 53 families. During this year we have provided assistance for 413 families. This is an average of 34+ per month. We began collecting food, clothing, furniture and money for special needs last October as we entered our present location. Since that time, 277 church groups/individuals have provided materials for these ministries. The average for this is 23 per month. This speaks well of your concern for missions on the association level. Needs in these areas are mountainous. During the approach of winter, we are already learning of people who do not have fuel. During the year we worked with inter-agency involvement. The Food for Life Committee was formed and the Cleveland County Utility Fund.

I am very pleased and encouraged by your enthusiasm for associational missions. There are still mountains of hurt to be touched and I feel confident that more and more of our people will catch a vision of personal involvement as we continue to share the love of Jesus Christ in our Jerusalem.

Let me encourage you to make 1980-81 the year of the Christian Social Ministry Representative. Each church will become more involved in associational missions as you have someone designated as a contact person.

EXECUTIVE BOARD REPORT
1979 - 1980

Four regular quarterly meetings of the Executive Board were held during the past church year. Our meetings were held on Monday evenings after the third Sunday, the months of October, January, April and July. Each of our meetings was well attended by members from our churches. Our church host for the meetings were: October-Westview; January-Zoar; April-Piedmont; July-Lattimore. A special meeting was held September 9, 1980 with Eastside Church, Shelby as host.

Various reports of committees were received, in addition to routine matters, major items of information and recommendations were approved by the Executive Board. Some of the items were:

1. Approved relocation of Association office to more adequate space on East Marion Street, Shelby. Rental cost of space in the amount of $250.00 per month.
2. Approved a recommendation to invite Fraternal Messengers from the Ebenezer Association to attend our annual meeting.
3. Approved the continuing program of our Baptist men in sponsoring a special program and breakfast for personnel appearing at the Cleveland County Fair.
4. Approved the awarding of a contract to Mr. T.C. Strickland, Jr. for construction of office building to be utilized by our Association for the sum of $269,212.00, according to plans and specifications approved by the General Building Committee.

Respectfully submitted,
Joseph E. Cabaniss, Clerk-Treasurer

SUNDAY SCHOOL REPORT
1979 - 1980

Wonderful is the word for this year's Sunday School report! After several years of decline, I am thrilled to say that the downward trend has been reversed. With seventy (70) churches reporting, we see an increase of 427 in Sunday School enrollment from last year giving an enrollment figure of 17,679.

Average weekly attendance has increased by 350 to 9,462 this past year.

Since the Sunday School is also the one organization in the church charged with the responsibility of church outreach, we must also look at the number of baptisms since the result of effective outreach is new souls in the Kingdom. This figure also shows a tremendous increase of 123 from last year with a total of 608 baptisms reported in 64 of our churches.

The Sunday School Board is recognizing growth by giving awards to the fastest growing Sunday School in four categories:

1. The Sunday School having the largest numerical increase in enrollment during the church year, 2. The Sunday School having the largest percentage increase in enrollment during the church year. 3. The Sunday School having the largest numerical increase in average weekly attendance during the church year, and 4. The Sunday School having the largest percentage increase in average weekly attendance during the church year.

Pleasant Ridge, where David Webb is the Sunday School Director and Joel Jenkins, Jr. the pastor has reported a numerical increase of 130 in enrollment at 95 in average weekly attendance.

Northside Baptist in Shelby; Gary McNeilly, Sunday School Director and Stanley Webb pastor; reports an increase in enrollment of 123% and an increase in average weekly attendance of 100%.

Activities of your Associational Sunday School Improvement Support Team have included an outreach clinic in March led by John Hunter and a Ciriculum Workshop in September led by Dr. Alice Culinan. Your team has also worked with several churches in workshops and clinics within the individual churches.

Delightful as this report is, the task is still great as Nehemiah said. If we are to have the same percentage of the county's population enrolled and attending our Sunday School as we had ten years ago, we must increase our enrollment by 22% and our average attendance by 19% in this year. But as Nehemiah also said, "The people had a mind to work." As we have a mind to work, we too will achieve great things for our Lord.

Joyfully submitted,
Royce Ballew, Sunday School Director

ASSOCIATIONAL CHURCH TRAINING REPORT

Church Training continues to be an integral part of the Bold Mission Thrust of the Association. It is committed to training the leaders and teachers of our churches for the work whereunto we are called.

The Church Training Program is responsible for four major areas of the Church Program --- Christian Doctrine, Christian Ethics, Christian History and Church Policy and Organization. The Church Training Program of today also offers other short term training opportunities to meet the needs of the local church. It is strongly recommended that the four basic areas not be neglected.

SUMMARY OF EVENTS

The Associational Church Training Program participated in the following events this year.

1. Hosted a banquet for International Students and M.K.'s at Gardner-Webb College in November 1979 and again February 1980.
2. Held M-Night Service in November 1979.
3. Participated in State and Associational Key Leadership Conferences.
4. Held Associational Bible Drills for youth and children. Had several from the Association to go to the Regional Convention and Bible Drill in Hendersonville, North Carolina.
5. Assisted several churches with their local Church Training Program at their request.

The Associational Church Training Council is prepared and willing to assist any church with your program. Please call upon us when needed.

Broadus Heatherly, Director

WOMAN'S MISSIONARY UNION

The W.M.U. emphasis for 1979-1980 was Life-Changing Commitments. This emphasis calls for life-changing commitments on the part of all church members, commitments to accept personal accountability for world missions. All W.M.U. curriculum and program materials for the year were related to Life-Changing Commitments and Bold Mission Thrust.

The first activity sponsored by the Associational W.M.U. was the Leadership Conference, which was held at Elizabeth Church, September 17-18, 1979. Additional leadership training was provided at an Enlistment - Enlargement and Record-Keeping workshop held at Eastside Baptist Church, Shelby, on January 29. An activities workshop for Mission Friends leaders was also conducted.

During the year each age-level organization has participated in various activities. In November the G.A.'s held an overnight "Missions Lock-in" and in February, a banquet for members and leaders. A Day Camp for girls, grades 1-3, was held in June. A Camp for G.A.'s, grades 4-6, was held at Gardner-Webb College, July 14-18. The camp was directed by Martha Madden and Linda Ellis and was staffed by young women from our associational churches.

The Acteens formed an Associational Acteens Council. Activities for the year included a talent show and a prayer retreat.

Baptist Young Women held regular quarterly meetings.

Baptist Women held a covered-dish supper on February 21st at First Baptist Church, Shelby. The occasion was planned in honor of Jean Teague, a Cleveland County native who had recently returned from the Mission Field in Gaza.

On March 15th, forty-five W.M.U. members travelled by chartered bus to Winston-Salem to attend the state W.M.Y. Convention. This was a day of good fellowship and inspiration.

The annual spring meeting was held April 15th at Temple Baptist Church, Kings Mountain. Miss Martha Franks, retired missionary was the speaker. A youth handbell choir from First Baptist Church, Shelby, provided special music.

During the year the W.M.U. council has met regularly to plan and promote associational W.M.U. work. Council members have attended training conferences at Ridgecrest and have assisted churches in starting new W.M.U. organizations. The council has continued to send a quarterly newsletter to pastors and W.M.U. leaders.

Our associational W.M.U. has been recognized as a Distinguished W.M.U. for the year 1978-79. This is the highest level of achievement and was attained through the efforts of many people and through the support of the association.

Respectfully submitted,
Beth Hamrick
W.M.U. Director

REPORT OF BAPTIST MEN

We have had a good year, but not as good as last year, but we are pleased with what did take place.

We had John E. Mills, Secretary from West Africa as our Speaker for the Missions Breakfast on November 18, 1979, with about 200 attending. This was for Foreign Missions. We did not have a Home Missions Breakfast this year.

The most rewarding project undertaken was the second Prayer Breakfast for the workers that travel with the shows that came to Cleveland County Fair. I checked with those people and they feel this was a worthwhile meeting to them, because they are not exposed to religion throughout the year. The management of the rides and shows also were very pleased, and I think those people who put this on received a great Blessing from it.

I was very pleased with the help and co-operation we got from everyone. Three of the eating stands helped prepare the food, and all the food was donated. After the meal and services were over we asked the ministers to stand where the people could talk to them and all were busy for sometime. Everyone is looking forward to this same thing again next year. Invitations will be extended to some of you to help with this next year, please be much in prayer for it.

November 23, 1980 we will have a Foreign Missions Breakfast with Davis Saunders as our guest speaker at the First Baptist Church in Shelby at 7 o'clock A.M. We will be looking for you.

Respectfully submitted,
Willard Boyles

MUSIC REPORT

The churches of the Kings Mountain Baptist Association are vitally interested in developing a progressive music ministry that provides both training and participation. This was so evident in the PraisFest 80 that we recently enjoyed and shared with the Gaston and South Fork Associations. A total of 363 music directors and choir members from the three associations met at the First Baptist Church of Cherryville for two nights of class instruction and a choral workshop. Because PraisFest 80 was so popular and beneficial, music leaders from the churches of Kings Mountain Association, in an annual planning session, requested that a similiar clinic be conducted next year in our own association. Plans are now being formulated for such an event.

Many fine opportunities for continued growth for choirs, leaders, and handbell groups are offered through our State Baptist Convention in the way of festivals, special workshops, and camps. As your associational music director, I encourage you to take advantage of the programs that are tailored to your particular interest and need. Perhaps one of the finest and most informative programs is the retreat for the volunteer music leader held annually at Caraway.

Another facet of work that is being developed on the associational level is that of zone directors. Zone directors are music directors from the various church groups chosen to serve that particular group. These directors and the associational director will coordinate and support the total music ministry of the association. A list of the zone directors will soon be available. It is believed that this plan will give greater assistance to our churches, with the purpose of establishing a stronger and more effective witness through music.

It is to this end that we pledge our support and our prayers.

Respectfully submitted,
Bob Dills

MEMORIALS
Kings Mountain Baptist Association
October 22, 1980

This is a poignant experience for me at this time. Mae Petty is dead. Surely she was one of God's choicest.

One of my teachers at Wake Forest used to say to his classes in Religion: "Young gentlemen, remember that as we grow older we tend to live in to spheres, memory and hope. And remember, too, that when you come to old age the only thing you'll have in memory's bag is what you are putting into it now."

Let's look at that for a moment.

This morning, whether we be young, middle-aged or old, we are remembering...the two preachers who have died since last we met, the thirteen deacons, the 202 old faithful ones. They have joined "the innumerable caravan which moves to that mysterious realm where each shall take his chamber in the silent halls of death."

We remember them as persons, irreplacable persons; we remember them in all their relationships: in the home, in the church, in the community, and as citizens of this great country. We remember them and rejoice that along the way our memory bag was so filled that we could come to this hour with a certain sense of sorrow that they are no longer with us, but also with a sense of joy that we had the privilege of walking hand in hand with them along the straight and narrow way that leads at last to home.

And we rejoice in hope...hope that we shall be reunited with them when our summons comes: hope that we shall know our loved ones in that 'city not made with hands, eternal in the heavens,' hope that they are now in the presence of the Saviour who died for them and for us. At times it seems that we can almost hear them as they gather around the throne and join in the song of Moses and the Lamb. We rejoice also in the hope that death no longer has any mastery over them, for "God is our hope and strength." And we can rest securely on the promise of our Saviour Himself who said, "Because I live, you shall live also."

John Donne has expressed it well:

> "Death, be not proud, though some have called thee mighty and dreadful, for, thou art not so, for, those whom thou thinkest thou dost overthrow, die not. Poor death!
> One short sleep past, we wake eternally and death shall be no more; death, thou shalt die."

And so, with our precious memories and our blessed hope, may we bow in a moment of silence in tribute to them, and in gratitude to God that we were privileged to know and love them for awhile.

Prayer:

"Loving Father, we call to remembrance the life and works of those who toiled so faithfully in your vineyard, and, who, at the close of life's day have ceased from their labors and their works do follow them. But we also rejoice in the hope that you've given us that one day we shall see them again in that blessed land where there shall be no more parting.

In the name of Him who makes it all possible, even Christ, our Lord." Amen.

RESOLUTION COMMITTEE REPORT

Be it resolved that we, the messengers to this the 130th Annual Meeting of the Kings Mountain Baptist Association:

Express our appreciation to the host Church, Patterson Grove Baptist Church, to the pastor and staff who so graciously welcomed and received us as we used their church facilities.

Express appreciation for the bountiful meal to the churches of the Kings Mountain group: Christian Freedom, David, Eastside (KM), Faith, Kings Mountain, Kings Mountain First, Kings Mountain Second, Macedonia, New Camp's Creek, Oak Grove, Oak View, Patterson Grove, Piedmont, Temple and Westover.

Express our thanks to the Order of Business Committee, Rev. Don Ledbetter, Chairman, for a program of inspiration and information, to those within the Kings Mountain Association serving on the program; to Sam Pittman and Earl Redding for their sharing with us during this event.

Commend Dan Jolly, Moderator, and Marion Adams for their efficiency in guiding us through this session and to Clerk Joseph Cabaniss for his accurate recordings of the proceedings.

Acknowledge the good work of all officers and committees who served during the past year, especially the Association Building Committee, Richard Plyler, Chairman, for their fine work, and covenant to pray and work with those elected for the New Year.

Express appreciation to the Director of Missions, Cline Borders, for his leadership, guidance, vision, patience, and wisdom during the year and to the secretarial help which made his work a little easier.

Express our appreciation and love to Mrs. Mae Petty for her faithfulness in that position by dedicating our minutes of this meeting in memory of her and our Christian sympathy to her family.

And be it resolved that we of the Kings Mountain Baptist Association continue enthusiastically to participate in Bold Missions in the evangelizing and congregationalizing effort aimed at reaching every person within Cleveland County, North Carolina, these United States, and our World, with the gospel message of Jesus Christ.

Respectfully submitted,
Harvey Beeler, Chairman
Fred Carter
Mrs. John Hendrick

ORDINATION COMMITTEE REPORT

The Ordination Committee for this year consisted of the Rev. Clyde Bearden, Rev. Johnny Bridges, Rev. Ernest Smith, Rev. Oliver Price and Rev. Paul Sorrells. Last year, we assisted in the ordination of four persons, and we did the same last year.

On February 23, 1980, the committee, along with the pastor and deacons of Mt. Sinai Baptist Church, met to examine Mr. Richard Long for the Gospel Ministry.

On April 25, 1980, the committee assisted Double Springs Baptist Church in the examination of Mr. Ed Crotts for the Gospel Ministry.

Westview Baptist Church asked us to assist them in examining Mr. Bruce Harless, Jr. for the Gospel Ministry on June 21, 1980.

And, on September 7, 1980, the Plains View Baptist Church asked us to assist them in the examination of their new pastor, Mr. Gary Youell.

The Committee designed a Certificate of Examination, which we feel adequately expresses what we try to do as a committee in this association.

The Committee is keenly aware of the heavy responsibility it bears to require Biblical and denominational loyalty, and at the same time, to promote the individual freedom and priesthood of each minister.

Committee members thank you for allowing them this place of service in our Association.

Respectfully submitted,
Paul M. Sorrells, Chairman

LIBRARY ANNUAL REPORT TO ASSOCIATIONAL MEETING

Our greatest encouragement this year came in the attendance at the Key Leadership Conference. Our conference doubled in attendance...from 8 last year to 16 this year.

Two librarians from the Association attended the annual state Media Center meeting which was held in Asheville and Black Mountain on April 11th and 12th. John McCraw of Patterson Springs attended both days, Bonnie Price the second day.

Mrs. Lucille Kelly and I have continued to work on the 1500 books in the Associational Media Center. All are ready to be checked out. A few are yet to be classified. We have recently started to work in the Beaver Dam Church library. We are ready to help in any church that asks us to assist.

About half of the churches in our Association have libraries. New Hope Baptist Church sets a good example: Reporting 1,876 books on the shelf and 1,199 circulated this past year.

There will be a Classification and Cataloging Seminar held on October 27-31 at the Mecklenburg Baptist Building in Charlotte. This seminar will be led by Miss Jacquline Anderson of Nashville.

Respectfully submitted,
Mrs. Bonnie R. Price
Library Council Director

CHRISTIAN LIFE COMMITTEE REPORT

The Christian Life Committee met with three members present at our annual planning meeting at Eastside Baptist Church. It was voiced by those present and by written response from others that the Court Observers program should be continued. This program is presently in need of reconstructing and a new introduction to our community. This program hopefully will then gain the measure of success it so richly deserves.

Another area of concern was the sale and display of pornographic literature in our county and city. After spending several days studying the books of both the county and city of Shelby, it was found that no ordinances now serve this need. After meeting with the Honorable Mayor George Clay of Shelby and Mr. Jack Palmer, Jr., Chairman of our County Commissioners, the following results we are proud to announce. Maylor Clay went to work with a personal study of the problem and involved the Chief of Police and the City Manager of Shelby along with the city council members. The results look very promising that our city will soon have protection against this form of moral decay. Mr. Palmer took our request before the commissioners on Oct. 6, 1980, with the following results. The request received a good review and the attorney for the county is now seeking to find out all the legal aspects of the request. We will continue to monitor the final results of our work.

The Sunday observance of our local Christmas parade was an area we failed to accomplish any success. Monetary loss on the part of the merchants was the reason given for the Merchant's Associations refusal to consider anothr day of the week.

We made some tentative study on the possibility of having a conference for the special needs of those who have lost their companions. The Christian Life Commission in Raleigh voiced encouragement in this area of often neglected ministry.

Finally we are attempting to find a base of operation within our local congregations. We would like to encourage each congregation to establish a Christian Life Committee. Pamplets concerning this committee's structure and functions are being mailed to all CSM representatives within our churches. We hope they will be received and acted upon accordingly.

A lot of research and planning have taken place this year. It is our prayers and hope that the year 1980-1981 will produce more tangible results.

Respectfully submitted,
Mrs. Diane Ledbetter
Rev. W.V. Tarlton
Mrs. Gene Cox
Mrs. Harold Causby

REPORT OF THE MEMBERSHIP COMMITTEE

The **Membership Committee** is a sensitive group acting in a supportive role to Churches seeking membership in the Association. It has no authorative power. The Committee seeks to help Churches in an advisory capacity supporting their efforts to become well established upon good foundations.

We, of the Committee, have grown and been blessed by working together this year. We have met five times. Two of these meetings have included members of Pathway Mission and Christian Freedom Baptist Church. One of the meetings was at the Pathway Mission meeting site. One of the meetings included our Associational Moderator acting as Chairman of the Executive Committee. The Director of Missions is always invited to our meetings and has attended four of the five meetings. Our Committee suggested to the Chairman of the Constitution and By-Laws Committee that the Constitution and By-Laws be studied in the areas relating to the Membership Committee.

Rosedell Baptist Church has dissolved and ceased to be. Our committee, in an effort of follow through, received from the Pastor, Rev. Bill McKee, a list of all members with addresses and telephone numbers - where known. We mailed or called a list of these members to at least three Pastors of their general local. Those who have moved some distance from our Association were mailed to the Director of Missions in the area to which they moved.

We have enjoyed working with Pathway Mission, south of Kings Mountain, N.C. This Mission is making progress under the leadership of Rev. James Hamrick as follows:

Church Membership	28
Sunday School Enrollment	34
Average Sunday School Attendance	24
VBS Enrollment	55
Average VBS Enrollment	48
Average Worship Attendance	30
Decisions for Christ	12
Average Weekly Offering	$120.00
Total Building Fund	$3,000.00

It has been a privilege and pleasure to work as a supportive team with this Mission. We do trust that their progress will continue.

We have also cherished our supportive role with Christian Freedom Baptist Church. This Church has also made noticeable progress, under the leadership of Rev. Eddie Grigg, in building their new House of Worship. This building was dedicated this past Sunday, October 19, 1980. It contains 1,500 square feet and will accommodate approximately 75-100 members. Other statistics are as follows:

Church Membership	40
Sunday School Enrollment	47
Average Sunday School Attendance	34
VBS Enrollment	45
Ave. VBS Attendance	39
Additions to membership	7
Average Weekly Offerings	$210.00

Active Brotherhood and WMU

Christian Freedom Baptist Church, in a letter to our Committee signed by the Pastor and Deacons, makes the following request:

"Christian Freedom Baptist Church, upon recommendation of the Deacons, voted unanimously to request membership into the Kings Mountain Baptist Association."

After meeting, as a Committee, with members of this Church and discussing with them their aims and goals, and realizing their accomplishment of one goal, the purchase of land and completion of building - establishing a place of worship in the community, the Membership Committee recommends that Christian Freedom Baptist Church be accepted into the Kings Mountain Baptist Association at its regular Annual Meeting of October 21-22, 1980.

Respectfully submitted,
October 21, 1980

REPORT OF THE AUDITING COMMITTEE

We have examined the accounts of the Kings Mountain Baptist Association, maintained by Joseph E. Cabaniss for the year ending September 30, 1980.

The examination consists of tracing all recorded cash receipts to the bank statements and of verifying disbursements on a test basis of examination of invoice and canceled checks.

In our opinion, the statements of receipts and disbursements as shown in the report found elsewhere in the volume presents fairly the financial transactions of the Kings Mountain Baptist Association for the year ending September 30, 1980.

Respectfully submitted,
Rylan Redding, Auditor
